"Do not start unless you want to be up all night! Whether or not you believe in reincarnation, you'll believe in the ability of love to transcend time and place and the wonder of Ciji Ware's writing. Superb!" —Romantic Times (Gold Medal review) One woman, one man, one shared fate A remote cottage on the wild coast of Cornwall sounded to Blythe Barton Stowe like the perfect escape from the pain and humiliation of recent events in her Hollywood life. But soon she seems to be reliving a centuries-old tragedy, and the handsome owner of the shabby manor house on the hill appears vitally entwined in her destiny. As they unearth one shocking family secret after another, Blythe is forced to conclude that her intriguing neighbor is more than just an impecunious British gentleman bent on saving his ancestral home. And the impeccably honorable Lucas Teague begins to see Blythe as a lifeline in an otherwise bleak existence. But is the unbridled attraction they're experiencing a dangerous distraction, or could it be strong enough to transcend the insurmountable complexities of time and place? "A deep, complex novel exploring love, betrayal, healing, and renewal in the human heart." —Affaire de Coeur "A book to be savored and then put on the keeper shelf." —Gothic Journal

Met Her Match

Through sunny days and stormy weather, the cottage and the girl keep each other company and wile away the long days and nights together. In this heartfelt story about change, Kelly Jordan's lilting text and Jessica Courtney-Tickle's lush art captures the essence of cherishing a favorite place.

The Little Blue Cottage

"Artfully explores themes of pain, desire, and the meeting place of the two, for a surreal, fairytale–esque accounting of what happens when we go to the darkest places within ourselves, and within others." —NYLON Part fairy tale, part horror story, Northwood is a genre–breaking novella told in short, brilliant, beautifully strange passages. The narrator, a young woman, has fled to the forest to pursue her artwork in isolation. While there, she falls in love with a married man she meets at a country dance. The man is violent, their affair even more so. As she struggles to free herself, she questions the difference between desire and obsession—and the brutal nature of intimacy. Packaged with a cover and end papers by famed English artist Rufus Newell and inventive, white–on–black text treatments by award–winning designer Jonathan Yamakami, Northwood is a work of art as well as a literary marvel.

If not for her friend Nichole, Beth would never have met Sam Carney, although first impressions have left Beth with serious doubts. Sam is everything Beth is not—and her parents' worst nightmare: a tattooed auto mechanic who's rough around the edges. Reserved and smart as a whip, Beth isn't exactly Sam's usual beer-drinking, pool-playing type of woman, either. But if not for an awkward setup one evening, Beth might never have left early and been involved in a car crash. And if not for Sam—who witnessed the terrifying ordeal, rushed to her aid, and stayed with her until help arrived—Beth might have been all alone, or worse. Yet as events play out, Sam feels compelled to check on Beth almost daily at the hospital—even bringing his guitar to play songs to lift her spirits. Soon their unlikely friendship evolves into an intense attraction that surprises them both. Before long, Beth's strong-willed mother, Ellie, blows into town spouting harsh opinions, especially about Sam, and reopening old wounds with Sunshine. When shocking secrets from Sam's past are revealed, Beth struggles to reconcile her feelings. But when Beth goes a step too far, she risks losing the man and the life she's come to love. The basis for the major motion picture of the same name. An entrancing memoir of how one woman's journey of self-discovery gave her the courage to persevere in re-creating her life. Life is a work in progress, as ever-changing as a sandy shoreline along the beach. During the years Joan Anderson was a loving wife and supportive mother, she had slowly and unconsciously replaced her own dreams with the needs of her family. With her sons grown, however, she realized that the family no longer centered on the home she provided, and her relationship with her husband had become stagnant. Like many women in her situation, Joan realized that she had neglected to nurture herself and, worse, to envision fulfilling goals for her future. As her husband received a wonderful job opportunity out-of-state, it seemed that the best part of her own life was finished. Shocking both of them, she refused to follow him to his new job and decided to retreat to a family cottage on Cape Cod. At first casting about for direction, Joan soon began to take pleasure in her surroundings and call on resources she didn't realize she had. Over the course of a year, she gradually discovered that her life as an "unfinished woman" was full of possibilities. Out of that magical, difficult, transformative year came *A Year by the Sea*, a record of her experiences and a treasury of wisdom for readers.

The Old Man and The Sea

In *The Edge of the Sea* Rachel Carson introduces us to the 'strange and beautiful place' where the sea meets the land. She explores a tide pool, an inaccessible cave, and watches a lone crab on the shore at midnight. From these, and other, encounters she offers us not just a scientifically accurate study of the ecology of the seashore, but also a hauntingly beautiful account of the fragile balance of life found at the edge of the sea. *The Edge of the Sea*, like all her writing, sounds a prophetic alarm for the damage mankind is doing to the natural world, but also offers us inspiration: here is beauty, here is something worth saving.
