Mylomon

Eponymous, adj. Giving one's name to a person, place, or thing. Anonymous, adj. Anonymous. Anonyponymous, adj. Anonymous and eponymous. The Earl of Sandwich, fond of salted beef and paired slices of toast, found a novel way to eat them all together. Etienne de Silhouette, a former French finance minister, was so notoriously cheap that his name became a byword for chintzy practices—such as substituting a darkened outline for a proper painted portrait. Both bequeathed their names to the language, but neither man is remembered. In this clever and funny book, John Bemelmans Marciano illuminates the lives of these anonyponymous persons. A kind of encyclopedia of linguistic biographies, the book is arranged alphabetically, giving the stories of everyone from Abu "algorithm" Al-Khwarizmi to Count Ferdinand von Zeppelin. Along with them you'll find the likes of Harry Shrapnel, Joseph-Ignace Guillotine, and many other people whose vernacular legacies have long outlived their memory. Accented by amusing line portraits and short etymological essays on subjects like "superhero eponyms," Anonyponymous is both a compendium of trivia and a window into the fascinating world of etymology. Carefully curated and unfailingly witty, this book is both a fantastic gift for language lovers and a true pleasure to read.

Seeran

Pictorial History of the World War, by S.J. Duncan-Clark

Rome never fell. Hitler won. Now they are at war. Marcus Americanus Scriptor's memoirs of the war between every parallel universe where Rome never fell, and every parallel universe where Hitler won the Second World War, have long been regarded as the definitive account of that turbulent time. Scriptor's life story, from his

early life among the housesteads of an obscure province to his role in the ultimate confrontation with Nazism, was intimately connected with the major political and social developments of his time. His highly personal record of events was praised even in his own lifetime for its honesty and intimacy, as well for capturing the scale of a war that consumed thousands of worlds. This exciting new translation of a classic work of military history is accessible to new readers and existing students of the War alike. This is the third original Faction Paradox novel.

Star Wars

The Woodland cultural areas of the eastern half of America has been the most important in shaping its history. This volume details the history, culture and conflicts of the 'Woodland' Indians, a name assigned to all the tribes living east of the Mississippi River between the Gulf of Mexico and James Bay, including the Siouans, Iroquians, and Algonkians. In at least three major battles between Indian and Euro-American military forces more soldiers were killed than at the battle of Little Bighorn in 1876, when George Custer lost his command. With the aid of numerous illustrations and photographs, including eight full page colour plates by Richard Hook, this title explores the history and culture of the American Woodland Indians.

Hitler's Monsters

Seeran never lost control. Responsible for the security of his clan and warlord, he couldn't afford distraction or attachment. Then, on a Terran beach, he stumbled upon a male assaulting a female. The ice that ran through his veins turned to fire. The frightened female is his mate. Whatever control he'd possessed snapped in a moment of recklessness, and he hoped that was all he'd lost. Hazel shouldn't desire the terrifying alien. She'd just escaped a disastrous marriage with a violent man, so how could she fall for a growling soldier who punched first and asked questions later? Why did his arms feel like the safest place in the universe? Her gut said to trust Seeran, but her intuition had failed her so many times before. HEA, No Cheating and No Cliffhangers.

Klawde: Evil Alien Warlord Cat: The Spacedog Cometh #3

"Applaud for KLAUDE. Two paws up!"--Dav Pilkey, creator of the Dog Man series.
"Funny, savage, and brilliant, Klawde is the pet I wish I had."--Max Brallier, New York Times Bestselling author of The Last Kids on Earth. Klawde is not your basic cat. He's an emperor from another planet, exiled to Earth. He's cruel. He's cunning. He's brilliant and he's also Raj Banerjee's best friend. In book three of this hysterical series, Klawde faces a challenger he never imagined: a dog, who has arrived on Earth to settle the intergalactic score. He's hyper, he's loyal, he's an all-around-good boy, and he's here to bring Klawde to justice. Can our ferocious feline evade the long paw of the law? Raj, on the other hand, is faced with his own out-of-town visitor who, although from Earth, may prove to be even more formidable: his grandmother. When she plans a birthday party Raj doesn't want, will he survive the embarrassment? Heavily illustrated, with a hilarious, biting voice that switches between Raj's and Klawde's perspectives, this is the story of an unlikely friendship that emerges between a boy and the evil cat who arrived on his doorstep.

A Concise History of Wales

Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

Video Sourcebook

In the shadows of the forest that flanks the crimson plain by the side of the Lost Sea of Korus in the Valley Dor, beneath the hurtling moons of Mars, speeding their meteoric way close above the bosom of the dying planet, I crept stealthily along the trail of a shadowy form that hugged the darker places with a persistency that proclaimed the sinister nature of its errand. For six long Martian months I had haunted the vicinity of the hateful Temple of the Sun, within whose slow-revolving shaft, far beneath the surface of Mars, my princess lay entombed-but whether alive or dead I knew not. Had Phaidor's slim blade found that beloved heart? Time only would reveal the truth. Six hundred and eighty-seven Martian days must come and go before the cell's door would again come opposite the tunnel's end where last I had seen my ever-beautiful Dejah Thoris. Half of them had passed, or would on the morrow, yet vivid in my memory, obliterating every event that had come before or after, there remained the last scene before the gust of smoke blinded my eyes and the narrow slit that had given me sight of the interior of her cell closed between me and the Princess of Helium for a long Martian year.

Culture Warlords

"Blake, a noted film critic, reveals a Catholic imagination at work in the films of Martin Scorsese, Alfred Hitchcock, Frank Capra, John Ford, Francis Ford Coppola, and Brian De Palma. Their movies are permeated with such Catholic ideas as sacramentality (the sacred is present in the profane things of the world), mediation (God works in our lives through specific people and things), and communion (salvation depends on belonging to a community)."--BOOK JACKET. The Odyssey of Homer

A guide to programs currently available on video in the areas of movies/entertainment, general interest/education, sports/recreation, fine arts, health/science, business/industry, children/juvenile, how-to/instruction.

China Monthly Review

Bowker's Complete Video Directory 1990

From classroom aids to corporate training programs, technical resources to self-help guides, children's features to documentaries, theatrical releases to straight-to-video movies, The Video Source Book continues its comprehensive coverage of the wide universe of video offerings with more than 130,000 complete program listings,

encompassing more than 160,000 videos. All listings are arranged alphabetically by title. Each entry provides a description of the program and information on obtaining the title. Six indexes -- alternate title, subject, credits, awards, special formats and program distributors -- help speed research.

The Alien's Winter Gift

She ' s investigating a murder... and the main suspect is her fated mate! Amy is determined to land a private investigating job with the Detyen Legion... but she didn ' t think she ' d be solving a murder. All signs point to Doryan, a golden alien who ' s hiding a big secret, but Amy is convinced he didn ' t do it. Proving that could be deadly. Doryan has been hiding away from the Legion for months, certain that he ' ll be executed if they find him. He ' s one of the soulless: a warrior who sacrificed his ability to feel emotion in exchange for a longer life. And once the soulless outlive their use, the Legion must retire them. But when he ' s around Amy, long dead feelings rise to the surface. It should be impossible, but Amy is his denya, and he ' ll do anything to seize his second chance. But if they can ' t find the real killer, their bond will be broken before it ever gets a chance to form, and when bodies begin to pile up Doryan ' s life is not the only one in danger. Read Doryan for fated mates, a heart-meltingly broken hero, a smart and savvy heroine and adventures that are out of this world! The Mated to the Alien science fiction romance series can be read in any order and there are no cliffhangers! This book is great for readers of paranormal romance and sci fi romance who love to read in their free time!

Evil Alien Warlord Cat

Doryan

Vanessa knows what aliens want--babies-- and she ' s not having it. She ' ll change her name, changer her ID information, and hunker down on a miserable moon on the far side of the galaxy before she gets matched to an alien brute. Again. Jaxar knows that Vanessa is the one for him but he needs time to convince her. With the clock ticking, he ' ll do anything to claim her reluctant heart. Even steal her.

Pregnant by the Alien Healer

Warlord of Mars

Delving deeper into the weird world of Konflikt '47, this supplement presents a range of new material for the game, including: - New units: Options for troops and technology that can be added to the armies presented in the rulebook. - Special characters: Field the best of the best, elite men and women who may singlehandedly be the crucial element between victory and defeat. - New background: The history of the world of Konflikt '47 is detailed in more depth. - New rules: All-new means of waging war, including material previously published online.

Weekly World News

The Roman Empire rules the civilised world with an iron fist, seemingly all-powerful and limitless. And yet, the power of Rome is secured not by its mighty legions, but by small bands of warriors and agents fighting a secret war. Tasked by the Emperor to explore ancient temples, forgotten labyrinths and beast-haunted caverns, they seek out artefacts hidden by the gods themselves, hunt creatures of myth and face enemies that would use dark magic against the empire. Broken Legions is a set of fantasy skirmish rules for a war unknown to history, fought in the shadows of the Roman Empire. Various factions recruit small warbands to fight in tight, scenario-driven battles that could secure the mystical power to defend – or crush – Rome. A points system allows factions to easily build a warband, and mercenaries and free agents may also be hired to bolster a force. Heroes and leaders may possess a range of skills, traits and magical abilities, but a henchman's blade can be just as sharp, and a campaign can see even the lowliest henchman become a hero of renown.

Konflikt '47: Defiance

The No-Good Nine

Martians live forever - everyone knows that. So what was Dejah Thoris doing all those hundreds of years before John Carter arrived? Four hundred years before the events of Warlord of Mars took place, Dejah's nation of Helium was divided into two warring city-states. An unscrupulous overlord from afar encouraged that rivalry to his own advantage, until he discovers a terrible secret from Mars's ancient past beneath Dejah Thoris' capital. A secret to kill for! Collecting the first five issues of the hit series in one volume, with bonus material and a complete cover gallery from artists such as Art Adams, Joe Jusko, Paul Renaud, Sean Chen, and Ale Garza.

Broken Legions

Klawde, the exiled ruler of the planet Lyttyrboks, and Raj, who just moved from Brooklyn to tiny Elba, Oregon, forge an unlikely friendship as they find their footing in a strange new world.

Sociologus

Vol. 34 includes "Special tariff conference issue" Nov. 6, 1925.

Alien Warlord 's Miracle

He ' s an abomination. The lone survivor of a horrific experiment, warrior Mylomon was left with unique and dangerous abilities. He takes care of the necessary dirty work for his clan but he ' s yet to earn their trust. After all, how can you trust an assassin? Now that he ' s found his fated mate, his miracle, she recoils at the sight of him. Daisy is every good and sweet thing in the universe and he will not let her go. How can he convince her that he ' s not the monster he appears to be? Happily Ever After. No Cheating. No Cliffhangers. This book is the followup to Kalen and should be read in order for maximum enjoyment. Don't be naughty now.

History's Greatest War

What doesn't kill you makes you stronger. Nakia may have lost a leg during the Invasion, but she's not going to let that keep her from what she wants. And she wants Rohn. She has since the moment the alien warrior rescued her from a collapsed building. But she's afraid he still only perceives her as a damaged, frail human. She wants him to recognize her as so much more, and she won't rest until he understands they belong together. Rohn might be past his prime, but he's not blind. He sees how the other males look at his mate with envy, admiration, and want. They would tempt her away from him, take her for their own, and claim that an old, scarred warrior like him could not satisfy the appetite of a vibrant young female. He'll battle any threat to his mate, friend or foe, and prove himself worthy.

Havik: Warlord Brides

An alien warrior falls back in time. Under attack, Reven crashes through a collapsing wormhole. While he 's technically in the correct location, he 's lost — arriving centuries too early. Surrounded by primitive technology and even more primitive humans, he must fight to stay alive and find a way home before the wormhole closes. His missions grows more complicated when a widow living on the edge of the moor discovers him in her barn. She doesn 't faint at the sight of his fearsome horns and he wants more from her than just shelter. She is his true mate. A woman alone. Elizabeth rejects the notion that there is a beast prowling the moors at night, stalking its next victim. Until she sees it with her own eyes. His massive, powerful frame and alien horns should frighten her, not excite her. Determined to prove he 's not the monster that the villagers claim, she steals a kiss from the alien warrior, binding their hearts together. As the villagers close in on the demon, Reven races to find a way home and save the human female his heart desires. This is a standalone story in the Warlord Brides universe with a HEA, time travel, aliens, haunting gothic moors, and no cheating.

Videhound's Golden Movie Retriever, 1992

The British victory at Quebec in 1759 was a landmark in the history of North America. In this "year of miracles," according to Horace Walpole, one could "never afford to miss a single copy of a newspaper for fear of missing a British victory somewhere." Of all the pivotal figures in the Seven Years' War (1756-1763), a cast which included George Washington, Sir William Johnson, Lord Howe and Montcalm, Major-General Wolfe remains etched most deeply in Americans' memories for his heroic leadership at Quebec. Enhanced by illustrations and photographs, this book focuses on the British forces throughout their disastrous and triumphant wilderness campaigns which ultimately ensured the birth of the English-speaking United States of America.

Anonyponymous

A complete video reference with detailed listings for over 120,000 programs on 62,000 videos - thousands more than other references. BOWKER'S COMPLETE VIDEO DIRECTORY merges Bowker's new Education-Special Interest video database

with our acclaimed Variety's Complete Home Video Directory database. The result: a new hardbound, 2-volume directory designed especially for libraries, schools, & video resources centers that lists virtually every video in every format - VHS, Beta, 3/4" U-matic, 8mm, & laserdisc. Unrivalled for: practicality - it offers separate volumes (Entertainment & Education-Special Interest) for ready focus on the types of videos you need for your collection; comprehensiveness - it brings you thousands more available videos than any other source; value - it's significantly less expensive than the competition; diversity - it gives you ordering information on more foreign films, Spanish-language films, silent films, & feature films than anyone else, includes full series & performance rights information, & notes international standards such as PAL & SECAM where applicable; selection guidance - it offers review citations for acquisitions assistance, & provides information on preview tapes when available; access - it contains 15 indexes for ease of research - including Title, Genre, Cast-Director, & more.

Warlord ' s Baby

She ' s pregnant without nookie. Someone slap her ass and call her Mary... A ' guest ' of the Lathar, Jess has become used to being at court, especially as it allows her to be close to a certain tall, handsome healer. But Laarn might as well not know she exists, far more interested in his tests and her genetic code than her as a woman... maybe. A hot encounter after a combat trial prove that Laarn HAS noticed her, more than noticed her. But before they can act on the attraction between them, Laarn is called away to the battlefield leaving Jess all alone at court. Not wanting to both any of the other healers when she feels unwell, Jess gets treatment from the automated systems in Laarn ' s lab, only to get worse days later. She ' s pregnant, without a sniff of between the sheets action and worse, there ' s a bunch of fanatics loose in the palace trying to kill her and her baby... He aches to claim her, but saving his people must come first. To do that, he can ' t waste time with a female... Lord Healer for the Lathar, Laarn must find a way to save his people from the plague that claimed all their women a generation ago. Now it speeding up and if he doesn ' t do something, the Lathar will be gone in a generation. Salvation arrives in the form of humanity, descendants of a lost Lathar colony, who might just hold the key to reversing the damage to the Lathar genetic code. His scars mark his rank, but will they also lose him the woman he loves? Laarn never thought anything of his scars before. In his culture they mark his rank as the best healer in the empire, but he starts to cover them when Jessica, the delicate little human female who holds his interest, won ' t look at them. He wants her, but his duty lies elsewhere until everything changes... Between a pregnancy, mating marks and a fanatic out to kill the woman he loves, can Laarn remain detached enough to do his duty... or will he give into emotion and save his heart? Genre: Science Fiction Romance, Scifi Romance, Alien Invasion romance, Alien pregnancy romance, Alien romance, Alien doctor romance, Alien hero, alien healer, Alien Warrior, military women, scifi suspense romance

He 's nowhere to be found when she goes into labor.

American Woodland Indians

"Lavin writes like her hands are on fire, forcing us to take a hard look at our ugliest truths." - Pamela Colloff, The New York Times Magazine & Pro Publica Talia Lavin is every fascist's worst nightmare: a loud and unapologetic young Jewish woman, with the online investigative know-how to expose the tactics and ideologies of online hatemongers. Outspoken and uncompromising, Lavin's debut uncovers the hidden corners of the web where extremists hang out, from white nationalists and incels to national socialists and Proud Boys. In stories crammed with catfishing and gatecrashing, combined with extensive, gut-wrenching research, Lavin goes undercover as a blonde Nazi babe and a forlorn incel to infiltrate extremist communities online, including a whites-only dating site. She also discovers the network of disturbingly young extremists, including a white supremacist YouTube channel run by a 14-year-old girl with nearly one million followers. Ultimately, she turns the lens of anti-Semitism, racism, and white power back on itself in an attempt to dismantle and quash the online hate movement's schisms, recruiting tactics, and the threat it represents to politics and beyond. Shocking, provocative and humorous in equal measure, and with a take-no-prisoners attitude, Culture Warlords explores some of the vilest subcultures on the internet and how they're doing their best to infiltrate the mainstream. And then she shows us how we can fight back. "Culture Warlords is a necessary and urgent read that could not have come at a much better time. Thoroughly researched and engaging, this debut demonstrates the work of a fearless reporter." - Morgan Jerkins, New York Times bestselling author of This Will Be My Undoing

Video Source Book

Paul Wood and his girlfriend, Talena, were just tourists in Sarajevo, a city still reeling from the aftermath of civil war. But an unexpected encounter makes them a desperate woman's only hope of escape. Now, to get her to safety, they must navigate through the minefield of warlords, criminals, and peacekeepers that is postwar Bosnia. Pursued by brutal gangsters and unable to leave the country legally, Paul agrees to do a job for a shadowy group of people smugglers in exchange for safe passage. The smugglers seem friendly. The job seems harmless. But when he discovers the secrets seething beneath, the repercussions will propel him on a perilous journey around the world -- from a warlord's compound in lawless Albania, through the jungles of Latin America, and toward an explosive confrontation at the extraordinary Burning Man festival in the Nevada desert.

The Warlord Of Mars - Large Print Edition

Provides an account, based on the "Star Wars" films and other authorized sources, of

the history of the "Star Wars" universe, from the origins of the Jedi to the exploits of Leia and Han's children

The Blood Price

“ A dense and scholarly book about . . . the relationship between the Nazi party and the occult . . . reveals stranger-than-fiction truths on every page. ” —Daily Telegraph
The Nazi fascination with the occult is legendary, yet today it is often dismissed as Himmler ' s personal obsession or wildly overstated for its novelty. Preposterous though it was, however, supernatural thinking was inextricable from the Nazi project. The regime enlisted astrology and the paranormal, paganism, Indo-Aryan mythology, witchcraft, miracle weapons, and the lost kingdom of Atlantis in reimagining German politics and society and recasting German science and religion. In this eye-opening history, Eric Kurlander reveals how the Third Reich ' s relationship to the supernatural was far from straightforward. Even as popular occultism and superstition were intermittently rooted out, suppressed, and outlawed, the Nazis drew upon a wide variety of occult practices and esoteric sciences to gain power, shape propaganda and policy, and pursue their dreams of racial utopia and empire.
“ [Kurlander] shows how swiftly irrational ideas can take hold, even in an age before social media. ” —The Washington Post “ Deeply researched, convincingly authenticated, this extraordinary study of the magical and supernatural at the highest levels of Nazi Germany will astonish. ” —The Spectator “ A trustworthy [book] on an extraordinary subject. ” —The Times “ A fascinating look at a little-understood aspect of fascism. ” —Kirkus Reviews “ Kurlander provides a careful, clear-headed, and exhaustive examination of a subject so lurid that it has probably scared away some of the serious research it merits. ” —National Review

Jaxar

Sent on a mission to backwards Earth, alien physician Kalen never expected to find his destined mate. Meridan's alluring scent, soft curves and the fire in her spirit call to him the way no female ever has. She is his destined mate. He ' s certain of that. Fierce and independent, nurse Meridan was never interested in settling down, with a human or an alien, especially not the arrogant, rude and devastatingly sexy medic Kalen. How far will Kalen go to claim the woman he loves when the rules between his planet and hers prevent him from doing just that? After a terrifying attack leaves Meridan near death, Kalen breaks the rules to save her and bind them together as mates. How will Meridan and Kalen find common ground before the universe tears them apart forever? Standalone, full length novel. No cheating. Happy Ever After.

Afterimage

Betrayed and sold at auction, Thalia is a long way from home. When she ' s given the opportunity to bring those who abducted her to justice, she ' s all in. One problem. Her alien partner hates humans, and he really hates her. Too bad for him that she loves to tease the monstrous cross between a devil and an orc. He ' s big, dangerous, and hits all her buttons. No problem. She can keep it professional. Right? A disgraced warrior. Havik ' s arrogance lost him a mate. Determined to regain his honor and complete this mission, he will not allow the human female to distract him. He can ' t trust a liar and a

thief. And he definitely shouldn't be kissing one. This book contains one grumpy alien, a woman who won't lose hope, villains getting their just desserts, an HEA, no cheating, and no cliffhangers. While Havik can be read on its own, the book is best enjoyed after Jaxar.

Wolfe's Army

Based on historical research and debates about Wales and Welshness, this volume offers an authoritative and accessible account of the period from Neanderthal times to the opening of the Senedd, the home of the National Assembly for Wales, in 2006. Within a remarkably brief and stimulating compass, Geraint H. Jenkins explores the emergence of Wales as a nation, its changing identities and values, and the transformations its people experienced and survived throughout the centuries. In the face of seemingly overwhelming odds, the Welsh never reconciled themselves to political, social and cultural subordination, and developed ingenious ways of maintaining a distinctive sense of their otherness. The book ends with the coming of political devolution and the emergence of a greater measure of cultural pluralism. Professor Jenkins's lavishly illustrated volume provides enthralling material for scholars, students, general readers, and travellers to Wales.

Warlords of Utopia

In 1931, nine naughty children who received coal in their stockings travel from Pittsburgh to the North Pole to plead their case to Santa Claus.
