Plague of Darkness

The dramatic first-person account of life inside an ultra-fundamentalist American religious sect, and one woman ' s courageous flight to freedom with her eight children. When she was eighteen years old, Carolyn Jessop was coerced into an arranged marriage with a total stranger: a man thirty-two years her senior. Merrill Jessop already had three wives. But arranged plural marriages were an integral part of Carolyn ' s heritage: She was born into and raised in the Fundamentalist Church of Jesus Christ of Latter-Day Saints (FLDS), the radical offshoot of the Mormon Church that had settled in small communities along the Arizona-Utah border. Over the next fifteen years, Carolyn had eight children and withstood her husband ' s psychological abuse and the watchful eyes of his other wives who were locked in a constant battle for supremacy.

Bookmark File PDF Exodus A Memoir

Carolyn ' s every move was dictated by her husband ' s whims. He decided where she lived and how her children would be treated. He controlled the money she earned as a school teacher. He chose when they had sex; Carolyn could only refuse at her own peril. For in the FLDS, a wife ' s compliance with her husband determined how much status both she and her children held in the family. Carolyn was miserable for years and wanted out, but she knew that if she tried to leave and got caught, her children would be taken away from her. No woman in the country had ever escaped from the FLDS and managed to get her children out, too. But in 2003, Carolyn chose freedom over fear and fled her home with her eight children. She had \$20 to her name. Escape exposes a world tantamount to a prison camp, created by religious fanatics who, in the name of God, deprive their followers the right to make choices, force women to be totally subservient to men, and brainwash children in church-run schools. Against this background, Carolyn Jessop ' s flight takes on an extraordinary, inspiring power. Not only did she manage a daring escape from a brutal environment, she became the first woman ever granted full custody of her children in a contested suit involving the FLDS. And in 2006, her reports to the Utah attorney general on church abuses formed a crucial part of the case that led to the arrest of their notorious leader, Warren Jeffs.

The Marrying of Chani Kaufman

A memoir of Bohemian Jew hiding out during the World War II in czechoslovakia

Stargazing in the Atomic Age

Bookmark File PDF Exodus A Memoir

First published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

Escape

More than 25 years in preparation, this new addition to the FOTL series provides a form-critical analysis of the first 18 chapters of the Book of Exodus, discussing each unit of the text in turn, showing how its internal structures reveal the genre and social setting in which the book was written, and explaining what this means for proper interpretation.

The Tuscan Secret

Of the 400,000 German-speaking Jews that escaped the Third Reich, about 16,000 ended up in Shanghai, China. This groundbreaking volume gathers 20 years of interviews with over 100 former Shanghai refugees. It offers a moving collective portrait of courage, culture shock, persistence, and enduring hope in the face of unimaginable hardships.

The Rational Bible: Exodus

Literary Nonfiction. Poetry. Jewish Studies. Memoir. Are we ever done leaving home? Acclaimed poet and memoirist David Biespiel tells the story of the rise and fall of his Jewish boyhood in Texas, and his search for the answer to his life's central riddle. After a near-forty-year exile, Biespiel returns for a day to the world he

left behind as a different person. He creates a moving meditation on the meaning of home, uncovering bittersweet realities of age, youth, and family with tenderness and devastating honesty.

Finding Mañana

During World War II, with apocalypse imminent, a group of well-known Jewish artists and scientists sidestepped despair by challenging themselves to solve some of the most difficult questions posed by our age. Many of these people had just fled Europe. Others were born in the United States to immigrants who had escaped Russia's pogroms. Alternately celebrated as mavericks and dismissed as eccentrics, they trespassed the boundaries of their own disciplines as the entrance to nations slammed shut behind them. In *Stargazing in the Atomic Age*, Anne Goldman deftly interweaves personal and intellectual history in lucid essays that throw new light on these figures and their virtuosic thinking. In sentences that mingle learning with self-revelation, juxtaposition becomes an instrument for making the familiar strange, leading us to question our assumptions about who these iconic characters were and where their contributions can lead us. In these pages, Albert Einstein plays Mozart to align mathematical principle with the music of the spheres. Here, too, Grace Paley and Saul Bellow contemplate the dirt and dazzle of the New York and Chicago streets from their walk-ups while dreaming up characters whose bravura equals the panache and twang of vernacular speech. Nearby, Marc Chagall eludes the worst of World War II by painting buoyant scenes on the ceiling of the Paris Opera in brilliant stained glass no less exuberant than the effervescent jazz of George Gershwin's own *Rhapsody in Blue*. In these essays, Goldman reminds readers that Jewish history offers as many illustrations of achievement as of affliction. At the same time, she gestures toward the ways in which invention and art that defy partisanship might offer us example as we enter a newly divisive era.

The Gold of Exodus

"[A] hilarious and heartbreaking story of a Jewish family ' s escape from oppression."--The New York Times

A compelling story of two intertwined journeys: a Jewish refugee family fleeing persecution and a young man seeking to reclaim a shattered past. In the twilight of the Cold War (the late 1980s), nine-year old Lev Golinkin and his family cross the Soviet border with only ten suitcases, \$600, and the vague promise of help awaiting in Vienna. Years later, Lev, now an American adult, sets out to retrace his family's long trek, locate the strangers who fought for his freedom, and in the process, gain a future by understanding his past. Lev Golinkin's memoir is the vivid, darkly comic, and poignant story of a young boy in the confusing and often chilling final decade of the Soviet Union. It's also the story of Lev Golinkin, the American man who finally confronts his buried past by returning to Austria and Eastern Europe to track down the strangers who made his escape possible . . . and say thank you. Written with biting, acerbic wit and emotional honesty in the vein of Gary Shteyngart, Jonathan Safran Foer, and David Bezmozgis, Golinkin's search for personal identity set against the relentless currents of history is more than a memoir—it's a portrait of a lost era. This is a thrilling tale of escape and survival, a deeply personal look at the life of a Jewish child caught in the last gasp of the Soviet Union, and a provocative investigation into the power of hatred and the search for belonging. Lev Golinkin achieves an amazing feat—and it marks the debut of a fiercely intelligent, defiant, and unforgettable new voice. From the Hardcover edition.

Sipping from the Nile

Rahul Pandita was fourteen years old when he was forced to leave his home in Srinagar along with his family. They were Kashmiri Pandits-the Hindu minority within a Muslim-majority Kashmir that was by 1990 becoming increasingly agitated with the cries of 'Azaadi' from India. *Our Moon Has Blood Clots* is the story of Kashmir, in which hundreds of thousands of Pandits were tortured, killed and forced to leave their homes by Islamist militants, and forced to spend the rest of their lives in exile in their own country. Pandita has written a deeply personal, powerful and unforgettable story of history, home and loss.

Defiant

Aztec and Mayan chronicles told of voyagers who arrived from across the Atlantic Ocean centuries before Columbus. Remembered as founding fathers, they hailed from a remote land called Tlillan Tlapallan, "Black Land Red Land." Now, for the first time, *Exodus Lost* presents compelling evidence that this lost homeland was Kemet Dshret, "Black Land Red Land," the ancient Egyptian name for Egypt. From this follow a series of groundbreaking discoveries into the origins of Mexican civilization, the roots of Western civilization, the creation of the alphabet, the history of the pyramids, and even new archaeological evidence for several major Bible stories. Enter a world of exploration and discovery, mystery and revelation. Whether your passion is archaeology or religion, history or simply a great adventure, *Exodus Lost* delivers. Beautifully illustrated with 126 photos, maps, and engravings.

The Last Exodus

An NYRB Classics Original Few writers had to confront as many of the last century ' s mass tragedies as Vasily Grossman, who wrote with terrifying clarity about the Shoah, the Battle of Stalingrad, and the Terror Famine in the Ukraine. An Armenian Sketchbook, however, shows us a very different Grossman, notable for his tenderness, warmth, and sense of fun. After the Soviet government confiscated—or, as Grossman always put it, “ arrested ” —Life and Fate, he took on the task of revising a literal Russian translation of a long Armenian novel. The novel was of little interest to him, but he needed money and was evidently glad of an excuse to travel to Armenia. An Armenian Sketchbook is his account of the two months he spent there. This is by far the most personal and intimate of Grossman ' s works, endowed with an air of absolute spontaneity, as though he is simply chatting to the reader about his impressions of Armenia—its mountains, its ancient churches, its people—while also examining his own thoughts and moods. A wonderfully human account of travel to a faraway place, An Armenian Sketchbook also has the vivid appeal of a self-portrait.

The Man in the White Sharkskin Suit

In the spring of 2001, Dr. Møller and an American TV crew went to the bottom of the Red Sea to reveal the remains of Pharaoh ' s army. They also discovered several lost places and cities recorded in the Bible, and the true location of the mountain where Moses received the Ten Commandments. All this evidence is available in The Exodus Case. Join Dr. Møller on his journeys and study for yourself this stunning material supported by more than 500 new colour photos and detailed satellite photos. Thoroughly researched and written by Swedish scientist Dr. Lennart Møller, this book takes you on an exciting journey through early biblical times from Abraham to the Exodus and discloses brand new discoveries by Dr. Møller and his team in Egypt, Sinai, Turkey, and in the Middle East.

Out of Egypt

Traces the author's upbringing in a Hasidic community in Brooklyn, describing the strict rules that governed her life, arranged marriage at the age of seventeen, and the birth of her son, which led to her plan to leave and forge her own path in life.

Beg, Borrow, Steal

Writers' League of Texas Discovery Award Wordwrite Award Finalist: Pirate's Alley Faulkner Prize, May Sarton Award, Independent Publisher Book Award, Chautauqua Prize a Redbook Magazine and Good Housekeeping Best of the Year Houston Chronicle #1 Pick Uncovered is the first memoir to tell of a gay woman leaving the Hasidic fold. Told in understated, crystalline prose, Lax begins her story as a young teen leaving her liberal, secular home to become a Hasidic Jew, then plumbs the nuances of her arranged marriage, fundamentalist faith, and Hasidic motherhood, as her creative, sexual, and spiritual longings shimmer beneath the surface.

Undisputed Truth

A “ stunning ” portrait of life and love inside an insular Jewish community that “ reads like an Orthodox Pride and Prejudice . . . Rewardingly delightful ” (Bust). London, 2008. Nineteen-year-old Chani Kaufman is betrothed to Baruch Levy, a young man she ’ s seen only four times before their wedding day. All the cups

Bookmark File PDF Exodus A Memoir

of cold coffee and small talk with suitors have led up to this moment. But the happiness Chani and Baruch feel is outweighed by their anxiety about the realities of married life; about whether they will be able to have fewer children than Chani's mother, who has eight daughters; and about the frightening, unspeakable secrets of the wedding night. Through the story of Chani and Baruch's unusual courtship, we meet a very different couple: Rabbi Chaim Zilberman and his wife, Rebbetzin Rivka Zilberman. As Chani and Baruch prepare to share a lifetime, Chaim and Rivka struggle to keep their marriage alive—and all four, together with the rest of the community, face difficult decisions about the place of faith and family in the contemporary world. Longlisted for the Man Booker Prize and selected as an Amazon Best Book of the Month, *The Marrying of Chani Kaufman* is a “deeply melodic and exciting” story that “will resonate with readers from all backgrounds” and “linger after the last page” (Publishers Weekly).

Escaping Exodus

Traces the story of the author's father's rise and fall as a multi-ton marijuana smuggler against a backdrop of Reagan politics and the heated debates that continue today. 35,000 first printing.

Our Moon Has Blood Clots

Mount Sinai. For many, it is the most sacred place on Earth—the site where God descended to give Moses the Ten Commandments. Yet for centuries, mankind has not known its exact location. In this heart-pounding true story, award-winning journalist and bestselling author Howard Blum tells the enthralling

Bookmark File PDF Exodus A Memoir

account of two modern-day adventurers—Larry Williams, a two-time Republican candidate for the U.S. Senate from Montana and a self-made millionaire, and his friend Bob Cornuke, a retired policeman and former SWAT team member. Lured by the prospect of finding the fabled fortune in gold that the ancient Hebrews took with them when they fled from Egypt, the two men set out to find the true site of Mount Sinai—with only the Old Testament as a guide. Eminent biblical scholars at Harvard and the University of Pennsylvania have argued that Mount Sinai is not in the Sinai Peninsula at all, but rather in northwestern Saudi Arabia. However, they were never allowed into the kingdom to prove their argument. When Cornuke and Williams are also denied entry, they daringly sneak into Saudi Arabia. And what they discover at the mountain known as Jabal al Lawz will astonish the world—and inspire readers to rethink the role of the Bible in history. They find the remains of the stone altar at which the Golden Calf was worshiped, the twelve pillars that Moses ordered to be erected, the cave where Moses slept, and, most sensationally, the unnaturally scorched spot on the mountaintop where God gave Moses the two stone tablets. They also explain, in a fascinating account, the truth about the parting of the Red Sea waters. And not the least of their discoveries is the fact that one of the most sacred spots on earth is now a top secret Saudi military base. As these two adventurers follow in Moses' footsteps, they become pawns in a dangerous game of international power politics and intrigue. This action-packed tale—part high-tech treasure hunt, part modern-day spy thriller, and part biblical detective story—is riveting. And it is all true.

An Armenian Sketchbook

Be sure to check out *IRON AMBITION: My Life with Cus D ' Amato* by Mike Tyson “ Raw, powerful and disturbing—a head-spinning take on Mr. Tyson's life. ” —Wall Street Journal Philosopher, Broadway

headliner, fighter, felon—Mike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all time—and the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior. Yet—even after hitting rock bottom—the man who once admitted being addicted “ to everything ” fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, *Undisputed Truth* is the singular journey of an inspiring American original.

Exodus to Shanghai

Lucette Lagnado's father, Leon, is a successful Egyptian businessman and boulevardier who, dressed in his signature white sharkskin suit, makes deals and trades at Shepherd's Hotel and at the dark bar of the Nile Hilton. After the fall of King Farouk and the rise of the Nasser dictatorship, Leon loses everything and his family is forced to flee, abandoning a life once marked by beauty and luxury to plunge into hardship and poverty, as they take flight for any country that would have them. A vivid, heartbreaking, and powerful inversion of the American dream, Lucette Lagnado's unforgettable memoir is a sweeping story of family, faith, tradition, tragedy, and triumph set against the stunning backdrop of Cairo, Paris, and New York. Winner of the Sami Rohr Prize for Jewish Literature and hailed by the *New York Times Book Review* as a "brilliant, crushing book" and the *New Yorker* as a memoir of ruin "told without melodrama by its youngest survivor," *The Man in the White Sharkskin Suit* recounts the exile of the author's Jewish Egyptian family from Cairo in 1963 and her father's heroic and tragic struggle to survive his "riches to rags" trajectory.

Exodus

In *Beg, Borrow, Steal* Michael Greenberg regales us with his wry and vivid take on the life of a writer of little means trying to practice his craft or simply stay alive. He finds himself doctoring doomed movie scripts; selling cosmetics from an ironing board in front of a women's department store; writing about golf, a game he has never played; and botching his debut as a waiter in a posh restaurant. Central characters include Michael's father, whose prediction that Michael's "scribbling" wouldn't get him on the subway almost came true; his artistic first wife, whom he met in a Greenwich Village high school; and their son who grew up on the Lower East Side, fluent in the language of the street and in the language of the parlor. Then there are Greenberg's unexpected encounters: a Holocaust survivor who on his deathbed tries to leave Michael his fortune; a repentant communist who confesses his sins; a man who becomes a woman; a Chilean filmmaker in search of his past; and rats who behave like humans and cease to live underground. Hilarious and bittersweet, Greenberg's stories invite us into a world where the familial, the literary, the tragic and the mundane not only speak to one another, but deeply enjoy the exchange.

Exodus Lost

A moving and revealing exploration of ultra-Orthodox Judaism and one man's loss of faith Shulem Deen was raised to believe that questions are dangerous. As a member of the Skverers, one of the most insular Hasidic sects in the US, he knows little about the outside world—only that it is to be shunned. His marriage at eighteen is arranged and several children soon follow. Deen's first transgression—turning on the radio—is

small, but his curiosity leads him to the library, and later the Internet. Soon he begins a feverish inquiry into the tenets of his religious beliefs, until, several years later, his faith unravels entirely. Now a heretic, he fears being discovered and ostracized from the only world he knows. His relationship with his family at stake, he is forced into a life of deception, and begins a long struggle to hold on to those he loves most: his five children. In *All Who Go Do Not Return*, Deen bravely traces his harrowing loss of faith, while offering an illuminating look at a highly secretive world.

A Place of Exodus

Exodus: This presentation of the Exodus is like no other in the world. You will be learning who Joseph was and the Pharaoh of the Exodus. But, greater than all this you will be taking a journey into Egypt that assuredly Egypt does NOT wish you to see. One of the greatest fights in Egypt is over Exodus artifacts. Full Color, HD Imagery by Trey Smith

Unorthodox

An *Unorthodox Match* is a powerful and moving novel of faith, love, and acceptance, from author Naomi Ragen, the international bestselling author of *The Devil in Jerusalem*. California girl Lola has her life all set up: business degree, handsome fiancé, fast track career, when suddenly, without warning, everything tragically implodes. After years fruitlessly searching for love, marriage, and children, she decides to take the radical step of seeking spirituality and meaning far outside the parameters of modern life in the insular, ultraorthodox

enclave of Boro Park, Brooklyn. There, fate brings her to the dysfunctional home of newly-widowed Jacob, a devout Torah scholar, whose life is also in turmoil, and whose small children are aching for the kindness of a womanly touch. While her mother direly predicts she is ruining her life, enslaving herself to a community that is a misogynistic religious cult, Lola ' s heart tells her something far more complicated. But it is the shocking and unexpected messages of her new community itself which will finally force her into a deeper understanding of the real choices she now faces and which will ultimately decide her fate.

The Last Pirate

A New York Times reporter recounts her childhood in Cuba before the events of the Mariel boatlift rendered her a teenage refugee in Miami, describing the Cuban revolution, the beliefs about el norte that prompted her family's immigration, and her prize-winning journalism career. 25,000 first printing.

All Who Go Do Not Return

The son of a flamboyant Jewish clan recounts his family's move to turn-of-the-century Alexandria, the family's many colorful members, its pursuit of wealth and happiness, and its struggles with anti-Semitic and anti-Western nationalism. Reprint. 10,000 first printing.

Exodus 1-18

There would be no Moses, no crossing of the Red Sea, no story of breaking the chains of slavery if it weren't for the women in the Exodus narrative. Women on both sides of the Nile exhibited a subversive strength resisting Pharaoh and leading an entire people to freedom. Defiant explores how the Exodus women summoned their courage, harnessed their intelligence, and gathered their resources to enact justice in many small ways and overturned an empire. Women find themselves in similar circumstances today. The Women's March stirred the conscience of a nation and prompted women to organize with and for their neighbors, it is worth reflecting on the resistance literature of Exodus and what it has to offer women. Defiant is about the deep work women do to create conditions for liberation in their church, community, and country. The women of Exodus defied Pharaoh, raised Moses, and plundered Egypt. We are invited to consider what the midwives, mothers of Moses, Miriam, Zipporah and her sisters demonstrate under the oppressive regime of Pharaoh and what it might unlock for us as we imagine our mandate under modern systems of injustice. Kelley Nikondeha presents a fresh paradigm for women, highlighting a biblical mandate to join the liberation work in our world. Women's work involves more than tending to our own family and home. According to Exodus, it moves us beyond the domestic territory and into relationship with women across the river, confronting injustice and working to liberate our neighborhoods so all mothers and children are free. Nikondeha calls women to continue to be active agents in heralding liberation as we organize and march together for one another's freedom.

Follow the Sacred Journey to Create One of the Lasting Musical Masterpieces of Our Time Bob Marley is

Bookmark File PDF Exodus A Memoir

one of our most important and influential artists. Recorded in London after an assassination attempt on his life sent Marley into exile from Jamaica, Exodus is the most lasting testament to his social conscience. Named by Time magazine as “ Album of the Century, ” Exodus is reggae superstar Bob Marley ’ s masterpiece of spiritual exploration. Vivien Goldman was the first journalist to introduce mass white audiences to the Rasta sounds of Bob Marley. Throughout the late 1970s, Goldman was a fly on the wall as she watched reggae grow and evolve, and charted the careers of many of its superstars, especially Bob Marley. So close was Vivien to Bob and the Wailers that she was a guest at his Kingston home just days before gunmen came in a rush to kill “ The Skip. ” Now, in The Book of Exodus, Goldman chronicles the making of this album, from its conception in Jamaica to the raucous but intense all-night studio sessions in London. But The Book of Exodus is so much more than a making-of-a-record story. This remarkable book takes us through the history of Jamaican music, Marley ’ s own personal journey from the Trench Town ghetto to his status as global superstar, as well as Marley ’ s deep spiritual practice of Rastafari and the roots of this religion. Goldman also traces the biblical themes of the Exodus story, and its practical relevance to us today, through various other art forms, leading up to and culminating with Exodus. Never before has there been such an intimate, first-hand portrait of Marley ’ s spirituality, his political involvement, and his life in exile in London, leading up to his triumphant return to the stage in Jamaica at the Peace Concert of 1978. Here is an unforgettable portrait of Bob Marley and an acutely perceptive appreciation of his musical and spiritual legacy. From the Trade Paperback edition.

is not just a historical account of how God called Moses to lead the Children of Israel out of Egyptian bondage, but it is a book full of prophetic types that speak of the first and second comings of Jesus Christ. The Book of Exodus also reveals the nature and holiness of God. The following topics are discussed and interpreted: The call of Moses The 10 plagues in Egypt The Exodus route and a day-by-day account Where is Mt. Sinai? Where was the Red Sea crossed? What happened at Mt. Sinai? The 40-year Exodus Journey The Tabernacle The Levitical Sacrificial System Garments of the Priesthood The Seven Feasts of Israel and more"

The Book of Exodus

The Earth lies in ruins in the aftermath of an extraterrestrial invasion, the land devastated by a desperate war with no winners between mankind and a race of vicious, intelligent creatures. The seas are drying up while the atmosphere corrodes and slowly cooks any life remaining on the now desolate rock. Food is scarce, trust even more so, and the only people left alive all have done horrific things to stay that way. Among the few survivors is Lucas, an ordinary man hardened by the last few years after the world 's end. He 's fought off bandits, murderers, and stranded creatures on his long trek across the country in search of his family, the one thing that drives him to outlive his dying planet. What he finds instead is hope, something thought to be lost in the world. There 's a ship buried in a crater wall. One of theirs. One that works. To fly it, Lucas must join forces with a traitorous alien scientist and a captured, merciless raider named Asha. But unless they find common ground, all will die, stranded on a ruined Earth. Combining gritty post-apocalyptic survival and epic space opera, *The Last Exodus* is the beginning of a new action-packed science fiction adventure where the future of the human race depends on its survivors leaving the past behind. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in

Egypt Under the Pharaohs

In sharing his own story of being a committed believer who struggled with same sex attraction early in his life, author, husband, and father Alan Chambers will help you understand the issues from the inside. And as the former president of the largest ex-gay ministry, Alan knows all the arguments, the concerns, the scriptures, and the heartaches. My Exodus encourages us to look for and affirm the image of God in everyone. It ' s a reminder that God is still at work and deeply loves his creation. And it ' s a book for everyone who wants to be welcoming and loving to all people without compromising their faith or their biblical theology. Through personal and powerful stories and opening the scriptures, you will come to understand how to love all people and positively engage our culture in the red hot conversations and topics surrounding LGBT and the Church. Ultimately, My Exodus equips us all to be better and do better in God-honoring ways. By embracing the idea of loving well because we want to and not because we have to, we will find hope for ourselves, for the Church, and for our world.

A national bestseller! Why do so many people think the Bible, the most influential book in world history, is outdated? Why do our friends and neighbors — and sometimes we ourselves — dismiss the Bible as irrelevant, irrational, immoral, or all of these things? This explanation of the Book of Exodus, the second book of the Bible, will demonstrate that the Bible is not only powerfully relevant to today ' s issues, but completely consistent with rational thought. Do you think the Bible permitted the trans-Atlantic slave trade? You won ' t after reading this book. Do you struggle to love your parents? If you do, you need this book. Do you doubt the existence of God because belief in God is “ irrational? ” This book will give you reason after reason to rethink your doubts. The title of this commentary is, “ The Rational Bible ” because its approach is entirely reason-based. The reader is never asked to accept anything on faith alone. As Prager says, “ If something I write does not make rational sense, I have not done my job. ” The Rational Bible is the fruit of Dennis Prager ' s forty years of teaching the Bible to people of every faith, and no faith. On virtually every page, you will discover how the text relates to the contemporary world and to your life. His goal: to change your mind — and then change your life.

A Backpack, a Bear, and Eight Crates of Vodka

The powerful coming-of-age story of an ultra-Orthodox child who was born to become a rabbinic leader and instead became a woman Abby Stein was raised in a Hasidic Jewish community in Brooklyn, isolated in a culture that lives according to the laws and practices of eighteenth-century Eastern Europe, speaking only Yiddish and Hebrew and shunning modern life. Stein was born as the first son in a dynastic rabbinical family, poised to become a leader of the next generation of Hasidic Jews. But Abby felt certain at a young age that she was a girl. She suppressed her desire for a new body while looking for answers wherever she could find them,

from forbidden religious texts to smuggled secular examinations of faith. Finally, she orchestrated a personal exodus from ultra-Orthodox manhood to mainstream femininity—a radical choice that forced her to leave her home, her family, her way of life. Powerful in the truths it reveals about biology, culture, faith, and identity, *Becoming Eve* poses the enduring question: How far will you go to become the person you were meant to be?

The Exodus Case

Il Mulino. An old crumbling mill, by a winding river, nestled in the Tuscan mountains. An empty home that holds memories of homemade pasta and Nonna's stories by the fire, and later: the Nazi invasion, and a family torn apart by a heartbreaking betrayal. Anna is distraught when her beloved mother, Ines, passes away. She inherits a box of papers, handwritten in Italian and yellowed with age, and a tantalising promise that the truth about what happened during the war lies within. The diaries lead Anna to the small village of Rofelle, where she slowly starts to heal as she explores sun-kissed olive groves, and pieces together her mother's past: happy days spent herding sheep across Tuscan meadows cruelly interrupted when World War Two erupted and the Nazis arrived; fleeing her home to join the Resistenza; and risking everything to protect an injured British soldier who captured her heart. But Anna is no closer to learning the truth: what sent Ines running from her adored homeland? When she meets an elderly Italian gentleman living in a deserted hamlet, who flinches at her mother's name and refuses to speak English, Anna is sure he knows more about the devastating secret that tore apart her mother's family. But in this small Tuscan community, some wartime secrets were never meant to be uncovered... A stunning tale, inspired by true events, about how the tragic consequences of war can echo through generations, and how love can guide us through the darkest

I loved this bookI would highly recommend. ' Goodreads reviewer, 5 stars ' A wonderful story... I was completely captivated... quite heart-breaking. ' All Things Bookie ' Excellent book! will grab you and hold onto you long after you put it down. ' Goodreads reviewer, 5 stars ' A captivating story... heart-breaking and compelling. ' Stardust Book Reviews ' Beautifully written... heart-breaking. ' Goodreads reviewer ' A wonderful tale full of mystery... so evocative I felt I was there... a poignant and engrossing tale that kept me enthralled. ' Goodreads reviewer, 5 stars This book was

previously published as Tuscan Roots.

Highlights from the Book of Exodus

Operation Pedro Pan

"Don't be alarmed - that dizzy pleasurable sensation you're experiencing is just your brain slowly exploding from all the wild magnificent worldbuilding in Nicky Drayden's Escaping Exodus. I loved these characters and this story, and so will you." - Sam J. Miller, Nebula-Award-winning author of *The Art of Starving* and *Blackfish City* The Compton Crook award – winning author of *The Prey of Gods* and *Temper* returns with a dazzling stand-alone novel, set in deep space, in which the fate of humanity rests on the slender shoulders of an idealistic and untested young woman—a blend of science fiction, dark humor, and magical realism that will appeal to fans of Charlie Jane Anders, Jeff VanderMeer, and Nnedi Okorafor. Earth is a distant memory. Habitable extrasolar planets are still out of reach. For generations, humanity has been clinging to survival by establishing colonies within enormous vacuum-breathing space beasts and mining their resources to the point of depletion. Rash, dreamy, and unconventional, Seske Kaleigh should be preparing for her future role as clan leader, but her people have just culled their latest beast, and she 's eager to find the cause of the violent tremors plaguing their new home. Defying social barriers, Seske teams up with her best friend, a beast worker, and ventures into restricted areas for answers to end the mounting fear and rumors. Instead, they discover grim truths about the price of life in the void. Then, Seske is unexpectedly thrust into the role of clan

matriarch, responsible for thousands of lives in a harsh universe where a single mistake can be fatal. Her claim to the throne is challenged by a rival determined to overthrow her and take control—her intelligent, cunning, and confident sister. Seske may not be a born leader like her sister, yet her unorthodox outlook and incorruptible idealism may be what the clan needs to save themselves and their world.

An Unorthodox Match

Becoming Eve

Honorable Mention in the 2012 Casey Medals for Meritorious Journalism When Hella Winston began talking with Hasidic Jews for her doctoral dissertation in sociology, she was excited to be meeting members of the highly insular Satmar sect. While several Jewish journalists and scholars have produced largely admiring books describing the Lubavitch way of life and that group's outreach efforts to unaffiliated Jews, very little has been written about the many other Hasidic sects in the United States. Unlike Lubavitchers, members of these other groups are raised to avoid all unnecessary contact with outside society, including contact with other Jews. Winston's access was all but unprecedented. As a nonobservant Jew with little prior exposure to the Hasidic world, she never could have guessed what would happen next—that she would be introduced, slowly and covertly, to Hasidim from Satmar and other sects who were deeply unhappy with their highly restrictive way of life and sometimes desperately struggling to leave their communities. First there was Yossi, a young

man who, though deeply attached to the Hasidic culture in which he was raised, longed for a life with fewer restrictions and more tolerance. Yossi's efforts at making such a life, however, were being severely hampered by his fourth grade English and math skills, his profound ignorance of the ways of the outside world, and the looming threat that pursuing his desires would almost certainly lead to rejection by his family and friends. Then she met Dini, a young wife and mother whose decision to deviate even slightly from Hasidic standards of modesty led to threatening phone calls from anonymous men, warning her that she needed to watch the way she was dressing if she wanted to remain a part of the community. Someone else introduced Winston to Steinmetz, a closet bibliophile worked in a small Judaica store in his community and spent his days off anxiously evading discovery in the library of the Conservative Jewish Theological Seminary, whose shelves contain non-Hasidic books he is forbidden to read but nonetheless devours, often several at a sitting. There were others still who had actually made the wrenching decision to leave their communities altogether. Already called a "must read" by Hasidic blogger "Shtreimel," Unchosen tells the fascinating stories of these and other rebel Hasidim, serious questioners who long for greater personal and intellectual freedom than their communities allow. In so doing, Unchosen forces us to reexamine the history of these communities and asks us to consider what we choose not to see when we romanticize them. From the Hardcover edition.
