Exodus

'Whybray's recent book is a masterful review of all the options set out by critical scholarship since Wellhausen, i.e., over the last century. It is an exhaustive and up to date treatment, concise and highly readable.' E. Dyck, *Crux* 'Sensitive to standards of ancient historiography and parallels from the Greek sphere, Whybray proposes that the Pentateuch is the work of an ancient historian, possibly designed as a supplement or prologue to the deuteronomistic

Ebook PDF Format Exodus The Niv Application Commentary

history. The analysis of the work of others and of the state of 'CHECK REVIEW! extremely valuable; the final suggestion makes it all the more engaging. Essential for all concerned with fundamentals of critical biblical studies.' W. Lee Humphreys, Religious Studies Review

NIVAC Bundle 1: Pentateuch

Continuing a Gold Medallion Award-winning legacy, this completely revised edition of The Expositor's Bible Commentary series puts world-class biblical scholarship in your hands. Based on the original twelve-volume set that has become a staple in college and seminary libraries and pastors' studies worldwide, this new thirteen-volume edition marshals the most current evangelical scholarship and resources. The thoroughly revised features consist of:

- Comprehensive introductions
- Short and precise bibliographies
- Detailed outlines
- Insightful expositions of passages and verses
- Overviews of sections of Scripture to illuminate the big picture
- Occasional reflections to give more detail on important issues
- Notes on textual questions and special problems, placed close to the texts in question
- Transliterations and translations of Hebrew and Greek words, enabling readers to understand even the more technical notes
- A balanced and respectful approach toward marked differences of opinion

Jonah, Nahum, Habakkuk, Zephaniah

A useful survey of the Old Testament that will aid in understanding difficult passages. This one

volume contains all of Irving Jensen's Bible self-study guides to the Old Testament.

Exodus, Volume 3

The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the

pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Jensen's Survey of the Old Testament

To read Genesis intelligently, we must consider the questions, the literature, and the times in which Genesis was written. In *How to Read Genesis* Tremper Longman III provides a welcome guide to reading, studying, understanding, and savoring this panorama of beginnings—of both the world and of Israel. And importantly for Christian readers, we gain insight into how Genesis points to Christ and can be read in light of the gospel.

Daniel

Bring the ancient message of Scripture into a modern context with the NIV Application Commentary Series. These scholarly guides explain the text's original meaning, bridge the

historical context between the biblical world and ours, and demonstrate the contemporary significance of the text to our lives today.

How to Read Genesis

The NIV Application Commentary, Old Testament Set One: Genesis-Job, 12-Volume Collection is a value for readers. This series helps readers with the vital task of bringing the ancient message of the Bible into a contemporary context. It gives preachers and teachers the tools, ideas, and insights they need to communicate God's Word today.

Leviticus and Numbers

Leading Old Testament scholar Tremper Longman III provides students and pastors with expert guidance on choosing a commentary for any book of the Old Testament. The fifth edition has been updated to assess the most recently published commentaries, providing evaluative comments. Longman lists a number of works available for each book of the Old Testament, gives a brief indication of their emphases and viewpoints, and evaluates them. The result is a balanced, sensible guide for those who preach and teach the Old Testament and need help in choosing the best tools.

Old Testament Commentary Survey

Ebook PDF Format Exodus The Niv Application Commentary

R. Alan Cole provides introductory information and a passage-by-passage commentary on Exodus, a book crucial for understanding the message of the New Testament. Exodus tells of the saving acts of God, the instituting of Passover, the giving of the Law, and the stories of Moses (first prophet) and Aaron (first high priest).

Introduction to the Pentateuch

In this expository commentary on the book of Exodus, Philip Graham Ryken mines the story of Israel's escape from Egypt for knowledge of God's character and instruction for his followers. Theologically instructive and decidedly pastoral, this commentary leads readers to rejoice at God's work in the life of every person who follows him on the path to spiritual freedom. Ryken skillfully relates how the Israelites' deliverance from slavery anticipated the salvation accomplished in Jesus Christ, proving that God remembers his covenant and always delivers on his promises. For those who preach, teach, and study God's Word, this book is more than just a commentary; it is a celebration of God's faithfulness. The book of Daniel abounds with powerful imagery showcasing God's unmatched glory and wise plan for the future. In this accessible commentary, pastor Rodney Stortz highlights the coming triumph of God's kingdom, offering pastors and Bible teachers a resource to help them explain and apply Daniel's message to Christians today. Stortz's careful exegesis and perceptive applications focus on personal holiness, the wisdom and power of God, and the importance of Daniel's prophecies concerning the Messiah and the Antichrist. In addition, this commentary looks to the New Testament to shed light on Daniel's prophecies about the future. Part of the Preaching the

Genesis

One of the best commentaries on Exodus ever to appear in English, now in paperback!

Exodus

With an emphasis on the nature and importance of divine presence, "The Abiding Presence" provides a unique perspective on the overarching theology of Exodus drawing particular attention to God's revelation at the burning bush, Sinai, and the tabernacle. Exploring the rich theological themes that emerge from the final form of the narrative the commentary also reflects on how these themes were employed by New Testament authors in understanding the life and ministry of Christ. Bridging the gap between accessibility and scholarly rigour, this commentary offers an excellent tool for ordinands, students, teachers in higher education and preachers to engage with the theology of the book in its Old Testament context as well as how its message is revealed in the New Testament and continues to speak today. Contents: 1.

Introduction 2. Presence in Absence (1.1 - 2.25) 3. Presence in a Name (3.1 - 7.7) 4. Presence in Creation (7.8 - 15.21) 5. Wandering in the Wilderness (15.22 - 18.27) 6. Divine Presence, Holiness and Law (19.1 - 24.18) 7. Creating Space for the Divine (25.1 - 31.18) 8. Sin at Sinai (32.1 - 34.35) 9. The Abiding Presence and the Climax of Creation (35.1 - 40.38)

Deuteronomy

The Abiding Presence

The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

Exodus

Taking a pioneering approach to commentary writing, Brevard Childs gives an entirely original

treatment to the book of Exodus. Apart from the philological notes and translation, this commentary includes a form-critical section, looking at the growth of the tradition in its previous stages; a consideration of the meaning of the text in its present form; and a consideration of its meaning in its total Old Testament context. The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing.

The Book of Exodus

When the Lord promised the land of Canaan to Abram and his descendants (Gen 15:7), every part of it was already occupied by other peoples. The long journey to possession of the Promised Land was prepared by God, yet it led through a path of adversity. We, the readers of the Old Testament, are left to wonder why. In this engaging commentary on Exodus, J. Alec Motyer explores the character of God through his covenant promises and persistent faithfulness to the people of Israel. Through the story of Israel we are exposed to an unquenchable fire: God the Savior, the Companion and the Indweller, who will not fail those who so often fail him.

Isaiah

Exodus (Brazos Theological Commentary on the Bible)

Inspiration and Incarnation

The New International Bible Commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit. Based on the widely used New International Version translation, the NIBC presents careful section-by-section exposition with key terms and phrases highlighted and all Hebrew transliterated. A separate section of notes at the close of each chapter provides additional textual and technical comments. Each commentary also includes a selected bibliography as well as Scripture and subject indexes.

Exodus

Most Bible commentaries take us on a one-way trip from the twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable--but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretive task. This new and unique series shows readers how to bring an ancient message into modern context. It

NEW INTERNATIONAL VERSION;* the NIV text printed in the body of the commentary; * sound scholarly methodology that reflects capable research in the original languages; * interpretation that emphasizes the theological unity of each book and of Scripture as a whole; * readable and applicable exposition.

A Commentary on Exodus

The prophetic books Jonah, Nahum, Habakkuk, and Zephaniah are brief but powerful. They comfort us with the assurance that, when nothing in this life makes sense, God is still in control. They toughen our faith in the face of the world's ugly realities. And they reveal the complexities of humans in relation to God. Jonah ran from his divine commission. Habakkuk questioned God concerning his ways. Repenting under Jonah's message, the city of Ninevah ultimately backslid and reaped the doom prophesied by Nahum. And Zephaniah's "remnant" depicts a faith that remains faithful. We needn't look too hard to find our own world and concerns mirrored in these books. Exploring the links between the Bible and our own times, James Bruckner shares perspectives on four of the Minor Prophets that reveal their enduring relevance for our twenty-first-century lives. Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there, assuming that we can somehow make the return journey on our own. They focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable—but the job is only half done! The NIV Application Commentary Series helps bring both halves of the interpretive task together. This unique, award-winning series shows readers

how to bring an ancient message into our present-day context. It explains not only what the Bibles meant but also how it speaks powerfully today.

The Making of the Pentateuch

Arranged as a series of sermons, the book of Deuteronomy represents the final major segment of the biography of Moses. The sermons review events described in earlier books and challenges Israel to faithful living in the future. The theological significance of Deuteronomy cannot be overestimated. Few books in the Bible proclaim such a relevant word of grace and gospel to the church today. At its heart, Deuteronomy records the covenantal relationship between God and his people. God graciously has chosen Israel as his covenant partner and has demonstrated his covenantal commitment to them. Moses challenges the Israelites to respond by declaring that Yahweh alone is their God and by demonstrating unwavering loyalty and total love for him through obedience. Daniel Block highlights the unity between the God depicted in Deuteronomy and Jesus Christ. Christians who understand the covenantal character of God and who live under the grace of Christ will resist the temptation to retreat into interior and subjective understandings of the life of faith so common in Western Christianity.

Exodus (Understanding the Bible Commentary Series)

Most Bible commentaries take us on a one-way trip from the twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable--but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretive task. This new and unique series shows readers how to bring an ancient message into modern context. It explains not only what the Bible means but also how it can speak powerfully today.

Gleanings in Exodus

A unique commentary that explores each passage from three vital perspectives: original meaning, bridging context, contemporary significance. Isaiah wrestles with the realities of people who are not convicted by the truth but actually hardened by it, and with a God whose actions sometimes seem unintelligible, or even worse, appears to be absent. Yet Isaiah penetrates beyond these experiences to an even greater reality. Isaiah sees God's rule over history and his capacity to take the worst of human actions and use it for good. He declares the truth that even in the darkest hours, the Holy One of Israel is infinitely trustworthy.

The Message of Exodus

Ebook PDF Format Exodus The Niv Application Commentary

Many today find the Old Testament a closed book. The cultural issues seem insurmountable and we are easily baffled by that which seems obscure. Furthermore, without knowledge of the ancient culture we can easily impose our own culture on the text, potentially distorting it. This series invites you to enter the Old Testament with a company of guides, experts that will give new insights into these cherished writings. Features include

- Over 2000 photographs, drawings, maps, diagrams and charts provide a visual feast that breathes fresh life into the text.
- Passage-by-passage commentary presents archaeological findings, historical explanations, geographic insights, notes on manners and customs, and more.
- Analysis into the literature of the ancient Near East will open your eyes to new depths of understanding both familiar and unfamiliar passages.
- Written by an international team of 30 specialists, all top scholars in background studies.

Daniel

Victor Hamilton, a highly regarded Old Testament scholar with over thirty years' experience in the classroom, offers a comprehensive exegesis of the book of Exodus. Written in a clear and accessible style, this major, up-to-date, evangelical, exegetical commentary opens up the riches of the book of Exodus. Hamilton relates Exodus to the rest of Scripture and includes his own translation of the text. This commentary will be valued by professors and students of the Old Testament as well as pastors.

The Message of Exodus

Exodus recounts the origins of ancient Israel, but it is also a book of religious symbols. How should it be interpreted, especially in light of modern historical-critical study? In this addition to an acclaimed series, a respected scholar offers a theological reading of Exodus that highlights Aquinas's interpretations of the text. As with other volumes in the series, this commentary is ideal for those called to ministry, serving as a rich resource for preachers, teachers, students, and study groups.

The Pulpit Commentary

Historically, the book of Exodus treats of the deliverance of Israel from Egypt; but viewed doctrinally, it deals with redemption. Just as the first book of the Bible teaches that God elects unto salvation, so the second instructs us how God saves, namely, by redemption. Redemption, then, is the dominant subject of Exodus. Following this, we are shown what we are redeemed for-worship, and this characterizes Leviticus, where we learn of the holy requirements of God and the gracious provisions He has made to meet these. In Numbers we have the walk and warfare of the wilderness, where we have a typical representation of our experiences as we pass through this scene of sin and trial-our repeated and excuseless failures, and God's long-sufferance and faithfulness.

Exodus for You

In this accessible study, Peter Enns offers an evangelical affirmation of biblical authority that considers questions raised by the nature of the Old Testament text. Enns looks at three questions raised by biblical scholars that seem to threaten traditional views of Scripture. First, he considers ancient Near Eastern literature that is similar to the Bible. Second, he looks at the theological diversity of the Old Testament. Finally, he considers how New Testament writers used the Old Testament. Based on his reflections on these contemporary issues, Enns proposes an incarnational model of biblical authority that takes seriously both the divine and human aspects of Scripture. The book includes a useful glossary, which defines technical terms and an annotated bibliography for further reading.

The NIV Application Commentary

Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable--but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretive task. This new and unique series shows readers how to bring an ancient message into a modern context. It explains not only what the Bible means but also how it can speak powerfully today.

Exodus (ESV Edition)

The book of Exodus is about a journey: a journey out of Egypt, but more particularly a journey from a land where God's power, sovereignty and continuing interest in his people could be easily questioned, to a place where God dwelt in the midst of his people. Exodus describes God's power, his redemption of his people, his covenant requirements at Sinai, and the rules of his worship. John L. Mackay interacts with other scholars in either text or footnotes. In addition to exploring the meaning of the text he examines the chronology, authorship, composition and structure of Exodus. In addition, at the end of each section he provides a reflective comment.
