Introduction to the World of Kabbalah

Hand Me Another Brick

First published in 1974, this book is a collection of nine essays written by Victor Ehrenberg between 1925 and 1967, five of which had not been published before. They deal with a number of aspects of Greek and Roman history, and with the nature of ancient history in the East and West. The first essay is a broad survey of interactions between opposing forces and ideas in the world as seen from the most ancient Near Eastern civilizations to the beginning of the western Middle Ages and the era of Byzantium; this is followed by discussions of topics from Classical and Hellenistic Greece and Republican and Imperial Rome, with the accent on the history of ideas and institutions

-freedom, the Greek city-state, and Roman concepts of state and empire. The final chapter consists of personal reflections on the meaning of history from the writer's own characteristic viewpoint, and is, as he admits, more in the way of a confession than pure scholarship.

From best-selling author and noted teacher and speaker Yehuda Berg comes a thought-provoking call to action on our current global crisis. Positing that our collective abdication of responsibility -- in every facet of our lives, including business and the economy, the environment, government and politics, healthcare, education, and religion -- has contributed to the problems and challenges we face, Berg asserts that taking responsibility for our actions (or lack thereof) and their consequences is the key to achieving change for the better. Berg urges readers to access the power within each of us, using the principles of Kabbalah, in order to create the consciousness shift required for lasting positive change.

This rich and refreshing book invites us to travel with the Buddha on a path of radical wisdom. In his inimitable style, Osho interprets the "Sutra of Forty-Two Chapters" - a scripture compiled by a Chinese emperor in the first century C.E. - using wonderful contemporary anecdotes to make profound points. As we laugh or shake our heads at the folly, the ineptitude or the goodness of the characters in the stories, Osho engages us at every level to let us experience the Buddha's teachings and take in their timeless truths. "No belief is required to travel with Buddha. You can come to him with all your skepticism - he accepts and welcomes you, and he says, 'Come with me.'" - Osho.

Do others look to you for leadership? Do you face a major task or shoulder heavy responsibilities? Do you want to take your leadership skills to a higher level? When Nehemiah confronted the task of rebuilding Jerusalem's wall, he was heartbroken by the damage he saw and nearly overwhelmed by the task that lay before him. Yet through the application of timeless leadership principles, Nehemiah completed this nearly impossible project, and laid a pattern for success which is just as valid for us today. Masters of the Word

The "Sepher Yetzirah," or "Book of Formation," is perhaps the oldest philosophical treatise which is yet extant in the Hebrew language. The great interest which has been evinced of late years in the Hebrew Kabbalah, and the modes of thought and doctrine allied to it, has induced me to translate this volume from the original Hebrew texts,

and to collate with them the Latin versions of mediaeval authorities. Three important books of the ?Zohar, ? or ?Splendour, ? which is the great storehouse of Kabbalistic teaching, have been for the first time translated into English by that skilful and erudite Kabbalist, my fellow student in occult science, MacGregor Mathers, and the ?Sepher Yetzirah? in an English translation is almost a necessary companion to these even more abstruse disquisitions: the two books indeed mutually explain each ot

Argues that those facing illness, bereavement, divorce, or rejection should retain their faith in God and not feel betrayed.

Success God's Way

This book describes a search for God and for values which is both personal and traditional. It is a quest set within the ancient Jewish disciplines of Thorah, the service of God and acts of faithful love, upon which Simon the Just taught over two thousand years ago that the world stands, and which, to this day, define the life of the Jew. The questions and attempted responses here relate to issues with which the author has lived all the more seriously since he became a rabbi and has had the privilege of listening to others at some of the most

important moments in their lives. Here is a book for practising Jews; for Jews who for one reason or another have ceased to practice but cannot forget their Jewishness; and for those of other faiths, whose questions are so often those which are discussed so movingly here. Jonathan Wittenberg is Rabbi of The North London Synagogue.

How to Lead

Written in the form of a novel, Frabato is the spiritual autobiography of Franz Bardon. Set in Dresden in the early 1930's it chronicles Frabato's magical battles with the members of a powerful and dangerous black lodge. His escape from Germany during the final desperate days of the Weimar Republic and the beginning of his spiritual mission culminating with his classic books on Hermetic magic. More than an occult novel, Frabato the Magician is itself a work of magic which illuminates Bardon's other books as well as providing a revealing look into the dark occult forces which lay behind the rise of the Third Reich. Threaded throughout the true tale, and written between the lines, are many valuable and practical esoteric lessons.

Beautiful in God's Eyes

The world is full of sex manuals instructing the reader on the ins and outs of great sex, but these tend to focus on only one aspect; the physical mechanics. According to Kabbalah, the key to fulfilling sex lies in self-awareness, not simply technique. The Kabbalah Book of Sex is a ground-breaking guide by acclaimed author and teacher Yehuda

Berg. It offers readers kabbalistic tips for overcoming shame and lack of self-respect, as well as a way for accessing higher levels of connection to ourselves, to our partners, and to spirit. Your Name Is Your Blessing

"Success is defined by a continuing desire to be the person God called you to be and to achieve those goals that God helps you to set," says Charles Stanley. In *Success God's Way*, Stanley teaches God's principles for success, including ten steps to help you reach God's goals in your life, and what to do about the seven success blockers that entangle believers. "Dr. Stanley has defined success in a timeless manner?knowing and doing the will of God. When a person knows Christ personally and consistently obeys the principles of Scripture, he is prepared for success God's way." ?Franklin Graham, Chairman and CEO, Samaritan's Purse; CEO, Billy Graham evangelistic Association "In a society that increasingly judges the success of individuals by the clothes they wear, the car they drive, the club they belong to, or the career they choose, the church desperately needs to reaffirm biblical

standards. Once again, Dr. Stanley has brought clear focus to a timely issue. Success God's Way challenges readers to reexamine whether or not they are sacrificing genuine, lasting success on the altar of a worldly, temporary counterfeit and therefore settling for a lot less than what God wants to give them." ?Anne Graham Lotz, International Bible Teacher and Bestselling Author "In an age when our thinking is skewed, our zeal is waning, and our desire for excellence is deadened by apathetic self-centeredness, this book presents many biblical insights that challenge us to hear God's Word to Joshua to meditate on God's Word and be strong and courageous so we can have success." ?Kay Arthur, Precept Ministries International

The Blessings of Brokenness

An important goal in the study of Kabbalah is to use one's knowledge to influence one's destiny. Firstly, one has to realise what life is, what its meaning is, why it is given to us, where it begins, and where it ends. After pondering and meditating on the above questions, one has to relate all this to Kabbalah. Kabbalah states that the Creator created all the worlds simultaneously, including our world, and we human beings have to use Kabbalah in our world, the finite material world. In order to further advance our understanding of the wisdom of

Free Copy La Kabbalah Del Xito En Los Negocios Spanish Edition

Kabbalah, we need to lift our mind's eye above the horizon of our material world. Kabbalah clarifies our perception of reality. What we see around us is subjective and exists only in relation to ourselves. Our perception depends on our organs of sensation: if they were different, we would perceive another world around us. This book provides the reader with a solid foundation for understanding the role of Kabbalah in our world. The contents was designed to allow individuals all over the world to begin traversing the initial stages of spiritual ascent toward the apprehension of the upper realms.

Kabbalah on Sex

"A twentieth-century classic, uncannily smart, incredibly learned."--from the foreword by Bart Ehrman This book challenges traditional Christian teaching about Jesus. While his followers may have seen him as a man from heaven, preaching the good news and working miracles, Smith asserts that the truth about Jesus is more interesting and rather unsettling. The real Jesus, only barely glimpsed because of a campaign of disinformation, obfuscation, and censorship by religious authorities, was not Jesus the Son of God. In actuality he was Jesus the Magician. Smith marshals all the available evidence including, but not limited to, the Gospels. He succeeds in

Free Copy La Kabbalah Del Xito En Los Negocios Spanish Edition

describing just what was said of Jesus by "outsiders," those who did not believe him. He deals in fascinating detail with the inevitable questions. What was the nature of magic? What did people at that time mean by the term "magician"? Who were the other magicians, and how did their magic compare with Jesus' works? What facts led to the general assumption that Jesus practiced magic? And, most important, was that assumption correct? The ramifications of Jesus the Magician give new meaning to the word controversial. This book recovers a vision of Jesus that two thousand years of suppression and polemic could not erase. And--what may be the central point of the debate--Jesus the Magician strips away the myths and legends that have obscured Jesus, the man who lived.
