Lost and Found

"This book is the honest struggles of a real person. I have learned much from Andy and I hope you will find in this book what I have: the journey of a man looking for God in the ordinary. It's a story of a real man trying to make his life work after losing his job. It's the story of a man trying not to 'fix things,' but to allow God. "Let me

Access Free Losing Grace

warn you this book is not a theological treatise. It is the story of a man struggling to find God in the mire of everyday life. It's the story of a man who often hasn't a clue as to what God is up to; yet hanging on to the belief that God is doing something. In essence, it's a story of a real life of faith." - Dick Baxter, Gainesville, Georgia

Edited by His Sister**

The Life and Letters of Lewis Carroll (Rev. C.L. Dodgson)

An angel was supposed to heal Janae's wounds, not transport her five years into the future with no memory of how she ended up in a dingy, rundown apartment, living a life she never wanted. The last thing she remembered was wishing for a divorce. She's either suffering from amnesia or she's gone completely insane. Janae had the perfect life until the summer Lili drowned. Playing the blame-game for her

daughter's death wrecked her marriage and alienated her surviving children. How will Janae ever right her wrongs with her family when every time she jumps back to the past, it only makes things worse?

Novels

What happens when you lose your religion? Kendra Fletcher, homeschooling mom of eight, took pride in having it all together—the right schooling, the right theology, the right church. Everything was “right.” Then it all fell apart. Three of their children were taken to the brink of death in a period of eighteen months. As wave after wave of crisis hit their family, they learned that getting religion “right” wasn’t a good substitute for a living relationship with a loving God. As they learned about their misplaced identities and false hope, they found that religion couldn’t save them—only Jesus. Only Jesus gives the grace we need to survive and thrive. Only in Jesus will our lives overflow with his grace, love, and mercy—spilling out over our families like the life-giving good news it is meant to be. More than a memoir, *Lost and Found* is a call to give up those things that hold us in bondage and find the overwhelming grace and freedom of the cross. Woven through the life-changing stories that forever altered Kendra Fletcher’s family is an encouragement to readers to find their value,

worth, significance, hope, and identity in Christ alone. Gripping true story of how God heals physically and spiritually. The difference between the gospel and merely being religious explained simply and clearly using one family's story. Clear direction on how to live with freedom and joy despite challenging circumstances.

according to St. Augustine's sense. Written originally in French by J. F. Senault and put into English, by Henry, Earle of Monmouth

Few concepts are more important in Catholic theology than that of grace, but most adult Catholics never move beyond a schoolchild's understanding of grace. Charles Journet explores philosophy, revelation and history to explain grace fully. Journet lays out both the doctrinal development of grace and corrects persistent mistakes that Catholics make about grace. He covers habitual grace, actual grace, predestination, justification, merit, and much more. He even includes a revealing exploration of Adam's earthly paradise and how the nature of the Fall called forth God's response of grace.

Thoughts

Recounts the Protestant Episcopal Church's mission work in China in the 1800s.
