It began nearly four hundred years ago. The Conall clan and all their people were murdered in a surprise attack, their beloved castle and all evidence of who destroyed them burned to the ground with their bodies. In the centuries following, archaeologists searched through the ruins looking for any evidence of what or who had caused the untimely demise of such a powerful Scottish clan. All efforts were fruitless, until a spell put in place by an ancient Conall ancestor finally began to work its magic. Texas kindergarten teacher, Brielle Montgomery, finds comfort in the mundane routines of her life, but when her archaeologist mother asks her to accompany her on a dig in Scotland, she decides to step out of her comfort zone. Once in Scotland, they discover a secret spell room below the castle ruins, and Bri finds herself transported back in time and suddenly married to the castle's ill-fated Laird. Now, she must work to change the fate of his people, all while trying to find a way to return to her home and century. But with each passing day, Bri finds herself falling more deeply in love with her new husband. If she can find a spell to bring her home, will she use it? And if she stays, will it ultimately mean her own death as well?

One who was handsome and honorable and devoted to her, but conveniently never around. Maddie poured her heart into writing the imaginary Captain MacKenzie letter after letter . . . and by pretending to be devastated when he was (not really) killed in battle, she managed to avoid the pressures of London society entirely. Until years later, when this kilted Highland lover of her imaginings shows up in the flesh. The real Captain Logan MacKenzie arrives on her doorstep—handsome as anything, but not entirely honorable. He's wounded, jaded, in possession of her letters . . . and ready to make good on every promise Maddie never expected to keep.

#### **Love Beyond Wanting**

A curse, a ghost, and a painting that goes bump in the night might just be the key to their perfect romance. Madeline knows firsthand that life rarely goes according to plan. If it did, her husband would still be alive, Scotland wouldn't be her home,

and she wouldn't be living in the seventeenth century. Hardened by grief and broken dreams, Madeline hopes that a new life for her and her daughter might be enough to pull her from her years' long rut. Despite her best efforts in a new century, little changes. As the months pass, her wish for a happier tomorrow seems unlikely to come true. But when a newcomer with ties to the castle arrives in the village, Madeline's interest is piqued for the first time in years as she discovers maybe there's more reason to be hopeful than she originally thought. Expert stone mason, Duncan, never dreamed that accepting a seemingly-harmless painting in exchange for his work would lead to such trouble. But after nights of no sleep make it clear that his new possession is indeed haunted, Duncan sets out to return the wretched piece of art back to its home at McMillan Castle. Determined only to rid himself of the art, Duncan's plans are derailed when he meets a lass so bonny he finds himself eager to accept work that will keep him at McMillan Castle longer than planned. As time passes and his feelings grow, Duncan discovers that perhaps his home is no longer the place he left behind. Is their love strong enough for the two of them to overcome their baggage? Or will the story end with the curse that brought them together? Scroll up and grab your copy today. ## Love Beyond Time

"Jeffrey's Only Wish" is the SWEET/CLEAN version of "In Due Time" by USA TODAY Bestselling Author, Bethany Claire. This version is for readers who prefer clean language in their stories and love scenes that stay behind closed doors. A wish for change. A chance at love. Jeffrey Oakes isn't as comfortable in the seventeenth century as he hoped he would be. He misses warm showers, power tools, and the occasional cold beer to unwind after a hard day. Perhaps if he weren't so lonely, the lack of conveniences and distractions wouldn't bother him so much. But with women so different from those of his own time, he's hard pressed to find a woman to share his life with. His silent wish is that Morna could work some magic for him just like she has done for so many others... Kathleen Carter's greatest dream is finally about to come true. After years of saving, she finally has enough money to restore the old Scottish castle she inherited. All she wants now is for the days to pass more quickly so moving day will finally arrive, and she can make the big move to Scotland. She knows the old castle will require more work than she has time for, but that's okay—the work will be a nice distraction from just how solitary her life has become... Little does she know that she might need to dream bigger—for fate has no intention of letting her devote her life to a big, empty castle. Scroll up and grab your copy today.
