The Lottery

Parliamentary Debates, Hansard

Who wouldn't like another shot at the "road not taken"? Three people get their wish in this compelling, Christy-Award-winning novel when they win a chance to travel through time back into their own lives and enter a new 'Alternate Reality'-their "Alternity"-where they can relive a pivotal moment in their pasts. A socialite returns to a time before she married her boss; a homeless man chooses whether to be a man of honor or a con-man; and a successful surgeon explores a chance at love. During one hour of clarity each will decide whether to remain forever in their 'Alternity' or return to the present, with a life made richer from the experience. Which will they choose?

Where can you go to learn about the beginning of life on earth or the basics of biology, astronomy or archaeology? The Learning Pool is an ideal place. It is designed to help you to find out what you need to know about science. Written in non-scientific language, it is full of information you want to know from the birth of the world and the origin of humans through the definition of chemistry, mathematics, physics, and other more. Its the source book you wished you had to help answer the questions that come up daily in the news every day.

Three contestants are given the unique opportunity to visit their past--and the choice to live within that new reality. Can David Stancowsky stop the love of his life from dying? Will Vanessa Caldwell break the patterns of dysfunction before she makes a terrible mistake? Why does Hollywood A-lister Lane Holloway want to return home? While Time Lottery spokesman Alexander MacMillan manages the increasingly dangerous paparazzi on the outside, the contestants face agonizing decisions about their futures--and each are called to search their core beliefs for answers.

In his book, Richard discusses the ins and outs and dos and don'ts of buying lottery tickets to increase your chances of winning. He has created a method that he and members of his family use that has enabled them to WIN several lottery game GRAND prizes. This is a very easy to use method and will work with any type lottery games (scratch tickets or number games) in any state or country. Here are some quotes from people who have used his method: "My husband and I used Richard Lustig's lotto method and within months of

starting the method we hit a Mega Money jackpot for 2 million dollars! It was really easy to follow. You only play what you can and you can still win! Shaun and I will only play lotto from now on using these strategies." -Jennifer and Shaun, Florida "Since we've been using your method, we have definitely been winning more that we used to. It's easy to follow" -Dale, Florida "I just wanted to let you know that my husband and I read through your lottery method last night. It seems great. It seems to be just simple logic and makes sense." -Kate, Illinois
