Midnight's Children is a 1981 novel by author Salman Rushdie. It portrays India's transition from British colonial rule to independence and the partition of India. It is considered an example of postcolonial, postmodern, and magical realist literature. The story is told by its chief protagonist, Saleem Sinai, and is set in the context of actual historical events.

### **Bielski Brothers' Biography | Facing History and Ourselves**

Knowing the history of how we have spent our time in the past will hopefully enable us to make more sensible choices in the future.” —Yuval Noah Harari, New York Times bestselling author of Sapiens: A Brief History of Humankind "Here is one of those few books that will turn your customary ways of thinking upside down.

### **Deep Racism: The Forgotten History Of Human Zoos**

The deep reader, protected from distractions and attuned to the nuances of language, enters a state that psychologist Victor Nell, in a study of the psychology of pleasure reading, likens to a hypnotic trance. Nell found that when readers are enjoying the experience the most, the pace of their reading actually slows.

### **History Shows Our Passion for Freedom Runs Deep**

History Shows Our Passion for Freedom Runs Deep the past tells us that the passion for freedom runs deep in this nation, and it will not be easily

squelched. and remind ourselves that the

Racism is deeply embedded in our culture. Slavery of African people, ethnic cleansing of Native Americans and colonialist imperialism are seeds that intertwine to create racism that still has impacts today. One example of the sad human history of racism -- of colonizers seeing themselves as superior to others -- is the long history of human zoos that featured Africans and conquered indigenous

## **Dwarf House - Chick-fil-A Company History | Chick-fil-A**

History “We change the world, and ourselves, by our response to unexpected opportunities.” A deep love for customers. Truett Cathy always maintained he wasn't in the chicken business, but the people business. From knowing his customers by name, to forming lifelong friendships with his employees, Cathy viewed his business as more than a

## **The Deep History Of Ourselves**

Alexis de Tocqueville was the French author of Democracy in America (1835), perhaps the best, and certainly the most widely-quoted book ever written about the United States. He was unusual for his time in many ways. One way in which he stood out in nineteenth-century France was his attitude towards religion.
