Sourcebook of Experiential Education

A compilation of selected review essays from Erickson's DVD Savant internet column.

The Dresden Files Collection 1-6

Unleash your inner geek and let this irreverent romp through the wonders of the garden yield practical results. Curious why caressing your cucumber plants will help them bear more fruit? Or why you should grow oranges from seed even if the fruit is inedible? Or why trees need to sleep and how to help them? Join acclaimed gardener, scientist, and author Lee Reich on a journey through the delights of your garden in this laugh-out-loud treatise on the scientific wonders of plants and soil. Offering eye-opening insight and practical guidance, coverage includes: How to maximize both flavor and nutrition in your garden bounty Helping plants thrive during drought Outwitting weeds by understanding their nature Making the best use of compost Tips on pruning and orchard care Why the dead language of Latin can make you a better gardener. The Ever Curious Gardener is an irreverent romp through the natural science of plants and soil, ideal for newer gardeners moving beyond back-of-the-seed-pack planting to experienced gardeners whose curiosity at the wonders of cultivation grows deeper and stronger with each season.

The Foxfire 40th Anniversary Book

No home, whether in the country, the city, or somewhere in between, should be without this one - of - a - kind encyclopedia - the most complete source of information available about growing, processing, cooking, and preserving homegrown foods from the garden, orchard, field, or barnyard. For more than 30 years, people have relied on its practical, step - by - step advice on basic self - sufficiency skills such as how to cultivate a garden, buy land, bake bread, raise farm animals, make sausage, milk a goat, grow herbs, churn butter, build a chicken coop, cook on a wood stove, and much, much more. First written at the height of the 1960s back - to - the - land movement, the book has been continually revised, updated, and expanded, and has grown from a self - published, mimeographed document to an exhaustive reference of more than one million words, 2,000+ recipes, and over 1,500 mail order sources. Emery's

personal advice, reflections, and anecdotes ensure that this incredibly detailed, diverse reference is as enjoyable as it is useful.

Interviews with former students of Rabun Gap, Georgia's Foxfire educational program reveal the history of the program and how it affected the lives of the students

The Ever Curious Gardener

"A lively microbiography of Geoffrey Chaucer, the "father of English literature", focusing on the surprising and fascinating story of the tumultuous year that led to the creation of the Canterbury Tales"--Provided by publisher.

My Grandpa

From springhouse to smokehouse, from hearth to garden, Southern Appalachian foodways are celebrated afresh in this newly revised edition of The Foxfire Book of Appalachian Cookery. First published in 1984—one of the wildly popular Foxfire books drawn from a wealth of material gathered by Foxfire students in Rabun Gap, Georgia—the volume combines hundreds of unpretentious, delectable recipes with the practical knowledge, wisdom, and riveting stories of those who have cooked this way for generations. A tremendous resource for all interested in the region's culinary culture, it is now reimagined with today's heightened interest in cultural-specific cooking and food-lovers culture in mind. This edition features new documentation, photographs, and recipes drawn from Foxfire's extensive archives while maintaining all the reminiscences and sharp humor of the amazing people originally interviewed. Appalachian-born chef Sean Brock contributes a passionate foreword to this edition, witnessing to the book's spellbinding influence on him and its continued relevance. T. J. Smith, editor of the revised edition, provides a fascinating perspective on the book's original creation and this revision. They invite you to join Foxfire for the first time or once again for a journey into the delicious world of wild foods, traditional favorites, and tastes found only in Southern Appalachia.

The Scentual Garden

Poetry that precisely conjures images of the war in Vietnam by an award-winning author.

Firefox For Dummies

A thought-provoking meditation on food, family, identity, immigration, and, most of all, hospitality--at the table and beyond--that's part food memoir, part appeal for more authentic decency in our daily worlds, and in the world at large. Be My Guest is an utterly unique, deeply personal meditation on what it means to tend to others and to ourselves--and how the two things work hand in hand. Priya Basil explores how food--and the act of offering food to others--are used to express love and support. Weaving together stories from her own life with knowledge gleaned from her Sikh heritage; her years spent in Kenya, India, Britain, and Germany; and ideas from Derrida, Plato, Arendt, and Peter Singer, Basil focuses an unexpected and illuminating light on what it means to be both a host and a guest. Lively, wide-ranging, and impassioned, Be My Guest is a singular work, at once a deeply felt plea for a

kinder, more welcoming world and a reminder that, fundamentally, we all have more in common than we imagine.

Foxfire

NO SOURCE IS LEFT UNTAPPED IN THIS ALL-ENCOMPASSING GUIDE TO SUPPLYING LIFE-SAVING WATER AFTER A DISASTER You can survive up to three weeks without food, but only three days without water! When catastrophe strikes, having enough water can spell the difference between life and death. The Prepper's Water Survival Guide offers a step-by-step plan with straightforward information you can easily follow. Thanks to this book's laser-focus on water, you'll quickly learn how to: •Store fresh water •Collect rainwater •Purify water from lakes & rivers •Dig a well for groundwater In addition to harvesting water, you'll gain the tools to keep large stores untainted for long periods of time, test the water you collect for dangerous toxins, and treat water-related illnesses that are commonly contracted during a disaster.

Dvd Savant

A storehouse of directions and recipes for hundreds of projects, this catalog contains instructions for making useful and economical products such as homemade shampoo, cough medicine, cosmetics, rugs, hammocks, and corncob pipes

The Foxfire Book of Simple Living

The history of moonshining is a long one, and no one tells it better than the men who once made a living from it deep in the heart of Appalachia. Originally published in 1972, "Moonshining as a Fine Art" takes you through the their time-honored methods of making (and occasionally hiding) safe, successful stills. It also includes a glossary of moonshining terms and recipes for home-brewed mountain drinks like apple beer and blackberry wine. Foxfire has brought the philosophy of simple living to hundreds of thousands of readers, teaching creative self-sufficiency and preserving the stories, crafts, and customs of Appalachia. Inspiring and practical, this classic series has become an American institution. In July 2016, Vintage Shorts celebrates Foxfire's 50th Anniversary.

Travels with Foxfire

First published in 1972, The Foxfire Book was a surprise bestseller that brought Appalachia's philosophy of simple living to hundreds of thousands of readers. Whether you wanted to hunt game, bake the old-fashioned way, or learn the art of successful moonshining, The Foxfire Museum and Heritage Center had a contact who could teach you how with clear, step-by-step instructions. Today, Foxfire's mission remains the same, and The Foxfire Book of Simple Living is both a rich look back at five decades of collected wisdom, as well as an intriguing look forward at the artists and craftsman who are working to preserve the Appalachian tradition for future generations. We hear from doll and soap makers who continue to use and adapt the time-tested methods outlined in The Foxfire Book, not to mention hunters, blacksmiths, musicians, and carpenters whose respect for those who preceded them enhances their own art. We see how the mountain community has responded to the films, books, and plays that have tried (and sometimes failed) to represent them. And, above all, by listening to the voices of those who came before, we celebrate the people who have preserved the stories, crafts, and customs that define life in the Appalachian mountain region.

Mini Farming

Recipes are combined with advice in food preservation, gardening, beekeeping, raising livestock, soap making, and other farm and household activities.

The Foxfire Book of Appalachian Cookery

Foxfire Story

Mini Farming describes a holistic approach to small-area farming that will show you how to produce 85 percent of an average family's food on just a quarter acre—and earn \$10,000 in cash annually while spending less than half the time that an ordinary job would require. Even if you have never been a farmer or a gardener, this book covers everything you need to know to get started: buying and saving seeds, starting seedlings, establishing raised beds, soil fertility practices, composting, dealing with pest and disease problems, crop rotation, farm planning, and much more. Because self-sufficiency is the objective, subjects such as raising backyard chickens and home canning are also covered along with numerous methods for keeping costs down and production high. Materials, tools, and techniques are detailed with photographs, tables, diagrams, and illustrations.

The Prepper's Water Survival Guide

Wildflower lovers across Georgia know Hugh and Carol Nourse through their popular slide lectures. Countless other enthusiasts have seen their glorious wildflower photographs in books and magazines. Here the Nourses draw on years of travel around the state to share their favorite places for seeing wildflowers. Of the many walks the Nourses have taken, these are the ones they return to most often because of the density or the unusual nature of the floral display. All twenty of these wildflower walks are on public land; everything you need to know about how to find them and what to do once you're there is included. Five walks are presented from each of Georgia's four geographic regions: Cumberland Plateau/Ridge and Valley (northwestern Georgia); Blue Ridge (northeastern Georgia); Piedmont (Georgia foothills and fall line); and Coastal Plain (all of Georgia below the fall line). For each walk, a scenic photo gives a hint of the locale's overall character. In addition, five of the wildflowers encountered on the walk are profiled with a photograph and a detailed description. All of the wildflowers on these walks are native to Georgia. A few are rare and endangered. Common plant names are used in the main text; the index lists both common and scientific names. Coverage of each walk includes directions and a trail map plus information about: flowering season peak flowering period flower habitats walk length and difficulty restroom availability applicable fees

The Foxfire 40th Anniversary Book

The author describes his experiences as an English teacher in a high school in rural Georgia and discusses the development of Foxfire magazine

Be My Guest

The Foxfire

Experiential education is a philosophy and methodology for building knowledge, developing skills, and clarifying values by engaging learners in direct experience and focused reflection. To understand experiential education, what should one be reading? This sourcebook introduces philosophers, educators, and other practitioners whose work is relevant to anyone seeking answers to this question. Following brief snapshots of John Dewey and Kurt Hahn, the book is organized in four sections: Philosophers and Educational Theorists Nature Educators and Outdoor Educators Psychologists and Sociologists School and Program Founders. Each chapter focuses on an individual whose philosophy and practice exemplify a biographical and historical model for reaching a deeper understanding of experiential education. An appendix includes short biographical sketches of forty-five additional people whose contributions to experiential education deserve a closer look. This volume provides a much-needed overview and foundations for the field – for students in courses addressing experiential education, challenge education, outdoor experiential education, recreation education, and related fields; for learning theorists and curriculum specialists; for experiential educators; and for educational philosophers.

Marvel Legacy

A beloved French author, journalist, editor and fashion blogger, at 49 years of age, makes a deliberate choice to remain single and celibate, a truly liberating decision that opens up a number of questions about the over-sexed society in which we live.

The Encyclopedia of Country Living

"Discover his stories, share his life, and creating a lasting keepsake together. Within each family lies a treasure of memories and experiences. Things that define who Grandpa is. That reflect the love he shares. Discover together the stories he holds close to his heart with these pages, filled with meaningful questions to answer. Once written, these stories will create a priceless keepsake for the whole family. Grandpa, your life is a gift. You hold within you a story that only you can share. Use these pages to fill with your one-of-a-kind memories whether it's a special moment from your childhood, an unforgettable adventure, or a piece of advice to share. Speak from the heart, in your own words it doesn't need to be formal or complex. Because when you are finished, you will create a gift that will be loved for generations."

Favorite Wildflower Walks in Georgia

Presents a collection of stories, customs, crafts, and wisdom from Appalachia, covering the traditional values of the region, personal reminiscences, descriptions of old church services, and forty years of lessons.

The Foxfire Book of Appalachian Toys and Games

Since 1972, the Foxfire books have preserved and celebrated the culture of Southern Appalachia for hundreds of thousands of readers. In *Travels with Foxfire*, native son Phil Hudgins and Foxfire student Jessica Phillips travel from Georgia to the Carolinas, Tennessee to Kentucky, collecting the stories of the men and women who call the region home. Across more than thirty essays, we discover the secret origins of stock car racing, the story behind the formation of the Great Smoky Mountains National Park, the vanishing art of gathering wild ginseng, and the recipes of an award-winning cookbook writer. We meet bootleggers and bear hunters, game wardens and medicine women, water dowsers, sculptors, folk singers, novelists, record collectors, and home cooks—even the world's foremost "priviologist"—all with

tales to tell. A rich compendium of the collected wisdom of artists, craftsmen, musicians, and moonshiners, *Travels with Foxfire* is a joyful tribute to the history, the geography, and the traditions that define Appalachian living.

Mountain Folk Remedies

The life of one of Western art's most admired and misunderstood painters J.M.W. Turner is one of the most important figures in Western art, and his visionary work paved the way for a revolution in landscape painting. Over the course of his lifetime, Turner strove to liberate painting from an antiquated system of patronage. Bringing a new level of expression and color to his canvases, he paved the way for the modern artist. Turner was very much a man of his changing era. In his lifetime, he saw Britain ravaged by Napoleonic wars, revived by the Industrial Revolution, and embarked upon a new moment of Imperial glory with the ascendancy of Queen Victoria. His own life embodied astonishing transformation. Born the son of a barber in Covent Garden, he was buried amid pomp and ceremony in St. Paul's Cathedral. Turner was accepted into the prestigious Royal Academy at the height of the French Revolution when a climate of fear dominated Britain. Unable to travel abroad he explored at home, reimagining the landscape to create some of the most iconic scenes of his country. But his work always had a profound human element. When a moment of peace allowed travel into Europe, Turner was one of the first artists to capture the beauty of the Alps, to revive Venice as a subject, and to follow in Byron's footsteps through the Rhine country. While he was commercially successful for most of his career, Turner's personal life remained fraught. His mother suffered from mental illness and was committed to Bedlam. Turner never married but had several long-term mistresses and illegitimate daughters. His erotic drawings were numerous but were covered up by prurient Victorians after his death. Turner's late, impressionistic work was held up by his Victorian detractors as example of a creeping madness. Affection for the artist's work soured. John Ruskin, the greatest of all 19th century art critics, did what he could to rescue Turner's reputation, but Turner's very last works confounded even his greatest defender. *TURNER* humanizes this surprising genius while placing him in his fascinating historical context. Franny Moyle brilliantly tells the story of the man to give us an astonishing portrait of the artist and a vivid evocation of Britain and Europe in flux. From the Hardcover edition.

The Encyclopedia of Country Living

What if you were told that the revered leader Abraham Lincoln was actually a political tyrant who stifled his opponents by suppressing their civil rights? What if you learned that the man so affectionately referred to as the "Great Emancipator" supported white supremacy and pledged not to interfere with slavery in the South? Would you suddenly start to question everything you thought you knew about Lincoln and his presidency? You should. Thomas J. DiLorenzo, who ignited a fierce debate about Lincoln's legacy with his book *The Real Lincoln*, now presents a litany of stunning new revelations that explode the most enduring (and pernicious) myths about our sixteenth president. Marshaling an astonishing amount of new evidence, *Lincoln Unmasked* offers an alarming portrait of a political manipulator and opportunist who bears little resemblance to the heroic, stoic, and principled figure of mainstream history. Did you know that Lincoln . . . • did NOT save the union? In fact, Lincoln did more than any other individual to destroy the voluntary union the Founding Fathers recognized. • did NOT want to free the slaves? Lincoln, who did not believe in equality of the races, wanted the Constitution to make slavery "irrevocable." • was NOT a champion "of the Constitution? Contrary to his high-minded rhetoric, Lincoln repeatedly trampled on the Constitution—and even issued an arrest warrant for the chief justice of the United States! • was NOT a great statesman? Lincoln was actually a warmonger who manipulated his own people into a civil war. • did NOT utter many of his most admired quotations? DiLorenzo exposes a legion of statements that have been falsely attributed to Lincoln for generations—usually to enhance his image. In addition to detailing Lincoln's offenses against the

principles of freedom, equality, and states' rights, Lincoln Unmasked exposes the vast network of academics, historians, politicians, and other "gatekeepers" who have sanitized his true beliefs and willfully distorted his legacy. DiLorenzo reveals how the deification of Lincoln reflects a not-so-hidden agenda to expand the size and scope of the American state far beyond what the Founding Fathers envisioned—an expansion that Lincoln himself began. The hagiographers have shaped Lincoln's image to the point that it has become more fiction than fact. With Lincoln Unmasked, DiLorenzo shows us an Abraham Lincoln without the rhetoric, lies, and political bias that have clouded a disastrous president's enduring damage to the nation. From the Hardcover edition.

Encyclopedia of Practical Receipts and Processes

Instant New York Times Bestseller "May this book cast its spell on all of us, restore to us some memory of our most warrior and softest selves." —The New York Times Book Review "A new kind of epicA grand achievementWhile The Prophets' dreamy realism recalls the work of Toni Morrisonits penetrating focus on social dynamics stands out more singularly." —Entertainment Weekly A singular and stunning debut novel about the forbidden union between two enslaved young men on a Deep South plantation, the refuge they find in each other, and a betrayal that threatens their existence. Isaiah was Samuel's and Samuel was Isaiah's. That was the way it was since the beginning, and the way it was to be until the end. In the barn they tended to the animals, but also to each other, transforming the hollowed-out shed into a place of human refuge, a source of intimacy and hope in a world ruled by vicious masters. But when an older man—a fellow slave—seeks to gain favor by preaching the master's gospel on the plantation, the enslaved begin to turn on their own. Isaiah and Samuel's love, which was once so simple, is seen as sinful and a clear danger to the plantation's harmony. With a lyricism reminiscent of Toni Morrison, Robert Jones, Jr., fiercely summons the voices of slaver and enslaved alike, from Isaiah and Samuel to the calculating slave master to the long line of women that surround them, women who have carried the soul of the plantation on their shoulders. As tensions build and the weight of centuries—of ancestors and future generations to come—culminates in a climactic reckoning, The Prophets masterfully reveals the pain and suffering of inheritance, but is also shot through with hope, beauty, and truth, portraying the enormous, heroic power of love.

Foxfire 10

For more than thirty years, Foxfire books have brought the philosophy of simple living to hundreds of thousands of readers, teaching creative-self-sufficiency, the art of natural remedies, home crafts, and preserving the stories and customs of Appalachia. Inspiring and practical, this classic series has become an American institution. In this twelfth volume of the series, you'll find reminiscences about learning to square dance and tales about traditional craftsmen who created useful items in the old-time ways that have since disappeared in most of the country. Here are lessons on how to make rose beads and wooden coffins, and on how to find turtles in your local pond. We hear the voices of descendants of the Cherokees who lived in the region, and we learn about what summer camp was like for generations of youngsters. We meet a rich assortment of Appalachian characters and listen to veterans recount their war experiences. Illustrated with photographs and drawings, Foxfire 12 is a rich trove of information and stories from a fascinating American culture.

We'Moon 2021 Spiral

Part oral history and part rule book, The Foxfire Book of Appalachian Toys and Games is a joyous collection of memories of playing indoor and outdoor games; of making dolls, homemade board games, playhouses, and other toys--each with complete instructions and the flavor of southern Appalachia.

Every toy and game has been tested by the Foxfire students and is devised to make or play yourself, without major expense, complicated parts, or electricity. Originally published in 1985, the book includes familiar games like marbles, hopscotch, and horseshoes, as well as more obscure entertainments such as stealing the pines, crows and cranes, and thimble. Here, too, are instructions for constructing playhouses, noisemakers, puzzles, and whimsy diddles. The book also provides information on special games traditionally played on Sundays and holidays. For those who are tired of worn-out batteries and electronic toys and for anyone curious about the playtimes of an earlier generation, *The Foxfire Book of Appalachian Toys and Games* is a welcome and entertaining guide.

The Foxfire Book

Since 1972, the Foxfire books have preserved and celebrated the culture of Southern Appalachia for countless readers all around the world. In *Foxfire Story*, folklorist (and Foxfire director) T.J. Smith collects some of his favorite stories from the archives to illuminate the oral traditions that have been part of the culture of the mountains for centuries. Here are instances of mountain speech, proverbs and sayings, legends, folktales, anecdotes, songs, and pranks and jests, along with ghost tales and accounts of folk belief, as well as stories from half a dozen of the region's finest storytellers. Through these examples, Smith examines the role storytelling plays in the Southern Appalachian community, identifying the rich traditions that can be found in the region and exploring how they convey a sense of place—and of identity.

The Prophets

Sometimes a Shining Moment

Firefox For Dummies gives you the inside scoop on the exciting new browser from the Web wizard that got it started. The book's author, Blake Ross, began developing Firefox as a teenager. Once available to the world, the simple and powerful tool was an instant hit claiming a sizable share of the Web browser market with over 140 million downloads. In this book Blake not only gives you the lowdown on how to use Firefox for safe Web searching, but he also shares his insight into how the product came to life. It's a combination of practical tech insight and a good story that is rare in computer books. Topics covered include downloading and installing Firefox, creating a home page, searching with Google, creating customized themes and toolbars, using tabbed browsing, downloading and saving files, maintaining security and privacy, eliminating annoying popups, and adding Firefox extensions.

Moonshining as a Fine Art

Beginning with an illustrated guide to the herbs and roots used in traditional Appalachian healing, "Mountain Folk Remedies" is a fascinating collection of historic remedies ranging from the practical (burdock tea will help aching feet) to the magical (carrying a buckeye in your pocket will help lessen arthritis). Foxfire has brought the philosophy of simple living to hundreds of thousands of readers, teaching creative self-sufficiency and preserving the stories, crafts, and customs of Appalachia. Inspiring and practical, this classic series has become an American institution. In July 2016, Vintage Shorts celebrates Foxfire's 50th Anniversary.

Down Home Ways

Meet Zesty Tastee, flamboyant gay playboy and heir to the Tastee Corporation fortune. That's what the

world knows of him, but Zesty is also Magpie, the corporate saboteur who fights against his father's corrupt business practices. Zesty's evil tycoon dad is out to destroy an entire rainforest, and he's joined up with a mysterious sect of ninjas to help keep 'Magpie' from interfering. Prince Ander is the sect agent on the case and Zesty has love at first sight for this dreamy ninja master. Zesty can't understand why anyone as noble as Prince would ever work with his father. His mission is to find out the secret of the rain forest, and win Prince's heart in the process!

Turner

Interviews and essays describe the way of life and crafts of pioneer America still surviving in the Appalachian region.

The Art of Sleeping Alone

The second book in the Greystone Secrets series from the master of plot twists, Margaret Peterson Haddix—perfect for fans of *A Wrinkle in Time* and *The City of Ember*! This middle grade novel is an excellent choice for tween readers in grades 5 to 6, especially during homeschooling. It's a fun way to keep your child entertained and engaged while not in the classroom. Until their mother vanished, the Greystone kids—Chess, Emma, and Finn—knew nothing about the other world. Everything is different there. It's a mirror image, except things are wrong. Evil. Their mother tried to fix it, but she and an ally got trapped there along with Ms. Morales, their friend Natalie's mom. Now the four kids—brave Chess, smart Emma, kind Finn, and savvy Natalie—are determined to rescue everyone. To do so, they have to go back: into the other world, where even telling the truth can be illegal. But in such a terrifying place, Chess doubts he can ever be brave enough. Despite all her brains, Emma can't seem to break the code. With everything spiraling out of control, Finn has to pretend he's okay. And for Natalie, the lies of the other world include some she wishes were actually true. What if she's gotten so used to lying she no longer knows what to believe? The second book in the Greystone Secrets series, *The Deceivers*, by bestselling author Margaret Peterson Haddix, continues the twisty and suspenseful story of the Greystone kids and examines the power of the truth—or a lie—to alter lives, society, and even an entire reality. Praise for *Greystone Secrets #1: The Strangers* *Winter 2018-2019 Kids' Indie Next List Pick* “A secret-stacked, thrilling series opener.” —Publishers Weekly, starred review “An engrossing mystery with a cliff-hanger ending to raise the stakes and delight fans new and old.” —Booklist “Maintains suspense from the beginning to the cliffhanger ending. A high-stakes adventure full of teamwork with a multifaceted mystery and complex themes.” —Kirkus Reviews

Chaucer's Tale

A complete illustrated survey of fragrance in the garden by America's leading garden writer Popular garden writer Ken Druse offers a complete survey of fragrance in the garden, in a major work filled with new knowledge. He arranges both familiar and unusual garden plants, shrubs, and trees into 12 categories, giving gardeners a vastly expanded palate of scents to explore and enjoy, and he also provides examples of garden designs that offer harmonious scented delights. Ellen Hoverkamp contributes her artful botanical images of flowers and plants discussed in the text. These are accompanied by Druse's award-winning garden photographs, to create a book that is as beautiful to look at as it is informative and evocative to read.

Greystone Secrets #2: The Deceivers

Interviews and essays describe the way of life and crafts of pioneer America still surviving in the

Appalachian region.

Lincoln Unmasked

In 1966, an English teacher and students in Northeast Georgia founded a quarterly magazine, not only as a vehicle to learn the required English curriculum, but also to teach others about the customs, crafts, traditions, and lifestyle of their Appalachian culture. Named Foxfire after a local phosphorescent lichen, the magazine became one of the most beloved publications in American culture. For four decades, Foxfire has brought the philosophy of simple living to readers, teaching creative self-sufficiency, home crafts, and the art of natural remedies, and preserving the stories of Appalachia. This anniversary edition brings us generations of voices and lessons about the three essential Appalachian values of faith, family, and the land. We listen to elders share their own memories of how things used to be, and to the new generations eager to preserve traditional values in a more complicated world. There are descriptions of old church services, of popular Appalachian games and pastimes, and of family recipes. Rich with memories and useful lessons, this is a fitting tribute to this inspiring and practical publication that has become a classic American institution. From the Trade Paperback edition.
