My Side of the Mountain

"Instantly engaging, constantly suspenseful, ultimately poignant and satisfying. Loved it!"--Diana Gabaldon, author of the #1 New York Times bestselling Outlander series When fragile, sixteen-year-old Hope Walton loses her mom to an earthquake overseas, her secluded world crumbles. Agreeing to spend the summer in Scotland, Hope discovers that her mother was more than a brilliant academic, but also a member of a secret society of time travelers. And she's alive, though currently trapped in the twelfth century, during the age of Eleanor of Aquitaine. Hope has seventy-two hours to rescue her mother and get back to their own time. Passing through the Dim, Hope enters a brutal medieval world of political intrigue, danger, and violence. A place where any serious interference could alter the very course of history. And when she meets a boy whose face is impossibly familiar, she must decide between her mission and her heart--both of which could leave Hope trapped in the past forever.

One of Us Is Next

Where women are created for the pleasure of men, beauty is the first duty of every girl. In Louise O'Neill's world of Only Every Yours women are no longer born naturally, girls (called "eves") are raised in Schools and trained in the arts of pleasing men until they come of age. Freida and Isabel are best friends. Now, aged sixteen and in their final year, they expect to be selected as companions--wives to powerful men. All they have to do is ensure they stay in the top ten beautiful girls in their year. The alternatives--life as a concubine, or a chastity (teaching endless generations of girls)--are too horrible to contemplate. But as the intensity of final year takes hold, the pressure to be perfect mounts. Isabel starts to self-destruct, putting her beauty--her only asset--in peril. And then into this sealed female environment, the boys arrive, eager to choose a bride. Freida must fight for her future--even if it means betraying the only friend, the only love, she has ever known.

The Girl from Everywhere

Seventeen-year-old Twylla lives in the castle. But although she's engaged to the prince, Twylla isn't exactly a member of the court. She's the executioner. As the Goddess embodied, Twylla instantly kills anyone she touches. Each month, she's taken to the prison and forced to lay her hands on those accused of treason. No one will ever love a girl with murder in her veins. Even the prince, whose royal blood supposedly makes him immune to Twylla's fatal touch, avoids her company. But then a new guard arrives, a boy whose easy smile belies his deadly swordsmanship. And unlike the others, he's able to look past Twylla's executioner robes and see the girl, not the Goddess. Yet Twylla's been promised to the prince, and knows what happens to people who cross the queen. However, a treasonous secret is the least of Twylla's problems. The queen has a plan to destroy her enemies, a plan that requires a stomach-churning, unthinkable sacrifice. Will Twylla do what it takes to protect her kingdom? Or will she abandon her duty in favor of a doomed love?

All This Time

Two authorities on future warfare join forces to create a taut, convincing novel—set in 2026—about a besieged America battling for its very existence.

Why Are All the Black Kids Sitting Together in the Cafeteria?

The first book in the spine-tingling Dark Matter trilogy about the frightening effects of a biological experiment gone wrong. An epidemic is sweeping the country. It spreads fast, mercilessly. Everyone will be infected. . . . It is only a matter of time. You are now under quarantine. Young teen Callie might have been one of the first to survive the disease, but unfortunately she didn't survive the so-called treatment. She was kidnapped and experimented upon at a secret lab, one that works with antimatter. When she breaks free of her prison, she unleashes a wave of destruction. Meanwhile her older brother Kai is looking for her, along with his smart new friend Shay, who was the last to see Callie

alive. Amid the chaos of the spreading epidemic, the teens must find the source of disease. Could Callie have been part of an experiment in biological warfare? Who is behind the research? And more importantly, is there a cure?

Contagion

Heidi Heilig's debut teen fantasy sweeps from modern-day New York City, to nineteenth-century Hawaii, to places of myth and legend. Sixteen-year-old Nix has sailed across the globe and through centuries aboard her time-traveling father's ship. But when he gambles with her very existence, it all may be about to end. *The Girl from Everywhere*, the first of two books, blends fantasy, history, and a modern sensibility. Its witty, fast-paced dialogue, breathless adventure, multicultural cast, and enchanting romance will dazzle readers of Sabaa Tahir, Rae Carson, and Rachel Hartman. Nix's life began in Honolulu in 1868. Since then she has traveled to mythic Scandinavia, a land from the tales of *One Thousand and One Nights*, modern-day New York City, and many more places both real and imagined. As long as he has a map, Nix's father can sail his ship, *The Temptation*, to any place, any time. But now he's uncovered the one map he's always sought—1868 Honolulu, before Nix's mother died in childbirth. Nix's life—her entire existence—is at stake. No one knows what will happen if her father changes the past. It could erase Nix's future, her dreams, her adventures . . . her connection with the charming Persian thief, Kash, who's been part of their crew for two years. If Nix helps her father reunite with the love of his life, it will cost her her own.

The Loneliest Girl in the Universe

Julia Bishop has led a very sheltered life. Protected by her family from those who might ridicule her for her secrets, she stays hidden away in the country. But she longs for more, if only for an evening. To kiss a rake in full view of the stable boy. Unchaperoned picnics. Romance. But she knows she'll never experience any of those things. That is, until a handsome duke with a mysterious past of his own arrives Duke Jasper Devere left London to grieve his grandfather's death privately, away from the prying eyes and gossips of the ton. Seeking solitude at a friend's country manor, he's surprised he finds himself drawn to the company of the shy beauty determined to present the epitome of proper behavior. That is, until the mysterious woman makes an indecent proposal Julia can't believe what she's suggested to the duke. Nor that he agrees a distraction is what they both need. But what will happen when Jasper must return to his duties and leave Julia behind? Will the memories of their time together be enough for a lifetime of solitude for either of them? Because Julia can never leave her country haven and a duke can never stay Each book the Tale of Two Sisters series is STANDALONE: * The Importance of Being Scandalous * A Scandal By Any Other Name

Driving value today requires information. Lots and lots of information. Most of us are becoming good at distilling the data within our own companies, but that's not enough if we want a competitive advantage. In *Smarter Together*, Coupa Software CEO Rob Bernshteyn explains how we will soon be able to draw upon the intelligence of the community—collectively what we, and the organizations we work for, know—to benefit the community, our companies, and ourselves. For example, we'll easily uncover:

- Real-time best practices for virtually every element of our business.
- The best way to offer our products and services.
- Who delivers exactly what they say they will, on time, with the best price, quality and reliability.

As Bernshteyn explains, the prescriptive insights gleaned from the massive amount of community data available worldwide will transform entire industries and break down long-standing barriers to value. All of us will grow smarter together. Commerce will never be the same again.

The Witch Hunter

#1 NEW YORK TIMES BESTSELLER • NOW A STARZ ORIGINAL SERIES Unrivaled storytelling. Unforgettable characters. Rich historical

detail. These are the hallmarks of Diana Gabaldon's work. Her New York Times bestselling Outlander novels have earned the praise of critics and captured the hearts of millions of fans. Here is the story that started it all, introducing two remarkable characters, Claire Beauchamp Randall and Jamie Fraser, in a spellbinding novel of passion and history that combines exhilarating adventure with a love story for the ages. One of the top ten best-loved novels in America, as seen on PBS's The Great American Read! Scottish Highlands, 1945. Claire Randall, a former British combat nurse, is just back from the war and reunited with her husband on a second honeymoon when she walks through a standing stone in one of the ancient circles that dot the British Isles. Suddenly she is a Sassenach—an "outlander"—in a Scotland torn by war and raiding clans in the year of Our Lord . . . 1743. Claire is catapulted into the intrigues of a world that threatens her life, and may shatter her heart. Marooned amid danger, passion, and violence, Claire learns her only chance of safety lies in Jamie Fraser, a gallant young Scots warrior. What begins in compulsion becomes urgent need, and Claire finds herself torn between two very different men, in two irreconcilable lives. This eBook includes the full text of the novel plus the following additional content: • An excerpt from Diana Gabaldon's Dragonfly in Amber, the second novel in the Outlander series • An interview with Diana Gabaldon • An Outlander reader's guide Praise for Outlander "Marvelous and fantastic adventures, romance, sex . . . perfect escape reading."—San Francisco Chronicle "History comes deliciously alive on the page."—New York Daily News

Generation Next Marriage: The Couple's Guide to Keeping It Together

A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. An instant New York Times bestseller An instant IndieBound bestseller The #1 Kids' Indie Next Pick A Walter

Award winner Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

Ghost Boys

Stargazing is a heartwarming middle-grade graphic novel in the spirit of Real Friends and El Deafo, from New York Times bestselling author-illustrator Jen Wang. Moon is everything Christine isn't. She's confident, impulsive, artistic . . . and though they both grew up in the same Chinese-American suburb, Moon is somehow unlike anyone Christine has ever known. But after Moon moves in next door, these unlikely friends are soon best friends, sharing their favorite music videos and painting their toenails when Christine's strict parents aren't around. Moon even tells Christine her deepest secret: that she has visions, sometimes, of celestial beings who speak to her from the stars. Who reassure her that earth isn't where she really belongs. Moon's visions have an all-too-earthly root, however, and soon Christine's best friend is in the hospital, fighting for her life. Can Christine be the friend Moon needs, now, when the sky is falling? Jen Wang draws on her childhood to paint a deeply personal yet wholly relatable friendship story that's at turns joyful, heart-wrenching, and full of hope.

In Five Years

The magic and suspense of Graceling meet the political intrigue and unrest of Game of Thrones in this riveting fantasy debut. Your greatest enemy isn't what you fight, but what you fear. Elizabeth Grey is one of the king's best witch hunters, devoted to rooting out witchcraft and doling out justice. But when she's accused of being a witch herself, Elizabeth is arrested and sentenced to burn at the stake. Salvation comes from a man she thought was her enemy. Nicholas Peveril, the most powerful and dangerous wizard in the kingdom, offers her a deal: he will save her from execution if she can break the deadly curse that's been laid upon him. But Nicholas and his followers know nothing of Elizabeth's witch hunting past--if they find out, the stake will be the least of her worries. And as she's thrust into the magical world of witches, ghosts, pirates, and one all-too-handsome healer, Elizabeth is forced to redefine her ideas of right and wrong, of friends and enemies, and of love and hate. Virginia Boecker weaves a riveting tale of magic, betrayal, and sacrifice in this unforgettable fantasy debut.

The Book of Boy

Geralt the Witcher -- revered and hated -- holds the line against the monsters plaguing humanity in this collection of adventures in the New York Times bestselling series that inspired the Netflix show and the hit video games. Only Ever Yours

The highly anticipated, #1 New York Times bestselling sequel to One of Us Is Lying! There's a new mystery to solve at Bayview High, and there's a whole new set of rules. Come on, Bayview, you know you've missed this. A ton of copycat gossip apps have popped up since Simon died, but in the year since the Bayview four were cleared of his shocking death, no one's been able to fill the gossip void quite like he could. The problem is no one has the facts. Until now. This time it's not an app, though--it's a game. Truth or Dare. Phoebe's the first target. If you choose not to play, it's a truth. And hers is dark. Then comes Maeve and she should know better--always choose the dare. But by the time Knox is about to be tagged, things have gotten dangerous. The dares have become deadly, and if Maeve learned anything from Bronwyn last year, it's that they can't count on the police for help. Or protection. Simon's gone, but someone's determined to keep his legacy at Bayview High alive. And this time, there's a whole new set of rules. "Few craft teen suspense like McManus." --Entertainment Weekly "A thriller from one of the best writers in the YA mystery genre, One of Us Is Next delivers more shocking surprises and twists you won't see coming."

All the Bright Places Movie Tie-In Edition

From New York Times bestselling author Julia Quinn comes the first novel in the beloved Regency-set world of her charming, powerful Bridgerton family, now a series created by Shonda Rhimes for Netflix. In the ballrooms and drawing rooms of Regency London, rules abound. From their earliest days, children of aristocrats learn how to address an earl and curtsy before a prince—while other dictates of the ton are unspoken yet universally understood. A proper duke should be imperious and aloof. A young, marriageable lady should be amiable—but not too amiable. Daphne Bridgerton has always failed at the latter. The fourth of eight siblings in her close-knit family, she has formed friendships with the most eligible young men in London. Everyone likes Daphne for her kindness and wit. But no one truly desires her. She is simply too deuced honest for that, too unwilling to play the romantic games that captivate gentlemen. Amiability is not a characteristic shared by Simon Basset, Duke of Hastings. Recently returned to England from abroad, he intends to shun both marriage and society—just as his callous father shunned Simon throughout his painful childhood. Yet an encounter with his best friend's sister offers another option. If Daphne agrees to a fake courtship, Simon can deter the mamas who parade their daughters before him. Daphne, meanwhile, will see her prospects and her reputation soar. The plan works like a charm—at first. But amid the glittering, gossipy, cut-throat world of London's elite, there is only one certainty: love ignores every rule This novel includes the 2nd epilogue, a peek at the story after the story.

The classic, bestselling book on the psychology of racism—now fully revised and updated Walk into any racially mixed high school and you will see Black, White, and Latino youth clustered in their own groups. Is this self-segregation a problem to address or a coping strategy? Beverly Daniel Tatum, a renowned authority on the psychology of racism, argues that straight talk about our racial identities is essential if we are serious about enabling communication across racial and ethnic divides. These topics have only become more urgent as the national conversation about race is increasingly acrimonious. This fully revised edition is essential reading for anyone seeking to understand the dynamics of race in America. "An unusually sensitive work about the racial barriers that still divide us in so many areas of life."--Jonathan

Outlander

A sci-fi mystery adventure about the last surviving members of the human race. How far would you go to save those you love? Lowrie and Shen are the youngest people on the planet after a virus caused global infertility. Closeted in a pocket of London and doted upon by a small, ageing community, the pair spend their days mudlarking and looking for treasure - until a secret is uncovered that threatens not only their family but humanity's entire existence. Now Lowrie and Shen face an impossible choice: in the quiet at the end of the world, they must decide who to save and who to sacrifice..
