In this #1 international bestseller, a young woman leaves everything behind to work as a librarian in a remote French village, where she finds her outlook on life and love challenged in every way. Prudencia Prim is a young woman of intelligence and achievement, with a deep knowledge of literature and several letters after her name. But when she accepts the post of private librarian in the village of San Ireneo de Arnois, she is unprepared for what she encounters there. Her employer, a book-loving intellectual, is dashing yet contrarian, always ready with a critique of her cherished Jane Austen and Louisa May Alcott. The neighbors, too, are capable of charm and eccentricity in equal measure, determined as they are to preserve their singular little community from the modern world outside. Prudencia hoped for friendship in San Ireneo but she didn't suspect that she might find love—nor that the course of her new life would run quite so rocky or would offer challenge and heartache as well as joy, discovery, and fireside debate. Set against a backdrop of steaming cups of tea, freshly baked cakes, and lovely company, *The Awakening of Miss Prim* is a distinctive and delightfully entertaining tale of literature, philosophy, and the search for happiness.

He meets an art therapist named Steffen Finch and what starts as casual deepens into a passionate relationship—everything Jav has ever wanted, and everything he fears losing. Stef's business card reads Curator & Sailor. His creativity and insightful nature have made him into a talented therapist, the one to call for tough cases. His professional success can't conceal a deep need to connect with someone, but Javier Landes is the last person Stef expected. Geronimo "Geno" Caan is Stef's most challenging case. To cope with his ordeal, he's allowed an alter-ego called Mos to make decisions, and now lives a double life within a web of lies. Under Stef's navigation, Geno uses art to express what Mos forbids to be spoken aloud. But as Geno's attachment to Stef gradually extends to Jav, the boundaries between professional and personal begin to blur. Over the course of a year, Jav, Stef and Geno form an unexpected and unconventional triangle, revealing how men make love in times of war and how love is a great wisdom made up of small understandings. *A Charm of Finches* is an epic tale of survival and secrets guaranteed to make you think and feel and remember.
