adulthood. Love and joy, heartache and laughter, held in the hands of destiny by divine supernatural forces and powers. A healer, a dreamer and a soul reader on life's journey of discovery to true love and how to use their divine gifts. A splunking adventure changes Anna's life forever. She receives the ability to heal through a divine power and meets her guardian angel, Ralph, who teaches her how to use her gift. Anna's power grows stronger with every passing year as does her drive to become a doctor. When Anna receives an out of state scholarship for medical school, her love for Jerry has her torn. She has been in love with Jerry for most of her life. Does she pursue her dream, her divine calling at the risk of losing true love? The Ditch Lane Diaries is a paranormal romance that includes angels and demons with metaphysical and visionary elements fighting an angelic war over Earth's humans. The many twists and turns give the reader plenty to contemplate over life choices. The Ditch Lane Diaries is for readers Adults 18+ and trending Women 35+

Standard Catalog for High School Libraries

Gargoyles, Angels, and Vampires. Deadly enemies. An Angel Prince looking for his fated mate to break his curse. A Vampire King with a heart of stone. Aria loses her humanity after being saved by a monster she believed only to exist in horror stories. But everything isn't what it seems when her savior becomes a handsome angel prince who awakened her ancient and deadly powers. Powers that can destroy the world, or save it. Only true love can break the prince's curse and stop him from turning into stone for all eternity. Despite the overwhelming chemistry between Aria and the prince, they only have thirty days to fall in love before their bond is put to the test. Peril strikes in the form of an addictive drug that can kill vampires and angels are to blame. Conflict is blooming and the peace treaty between the Angel Prince

and the Vampire King is threatened. Aria is caught in a love triangle when the Vampire King discovers that the girl he had refused to take as his is now the prince's new mate. Tormented by the rash decision that almost killed her, the king now believes that he's saving Aria from the clutches of the manipulative prince. Finding out that supernatural creatures exist becomes less terrifying for Aria than discovering what she's destined to become if she lets her Archangel's abilities take over and change her. Aria is much more than the average, eighteen-year-old girl who wanted to find the cure for cancer. She's now a deadly Archangel warrior and the future queen of the angels and gargoyles if only she can manage to break her lover's curse and keep the Vampire King at bay. What would you give up for true love? Find out in Archangel's Kiss.

The Golden Treasury of Poetry and Prose

Certain Comeoverers by Henry Crapo Howland, first published in 1912, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

Step back in time and meet everyday people from another era: This edition brings to you the complete collection of hundreds of life stories, incredible vivid testimonies of former slaves from 17 U.S. southern states, including photos of the people being interviewed and their extraordinary narratives. After the end of Civil War in 1865, more than four million slaves were set free. There were several efforts to record the remembrances of the former slaves. The Federal Writers' Project was one such project by the United States federal government to support writers during the Great Depression by asking them to interview

Ruby's Choice, book one of the Ditch Lane Diaries, is a coming of age story, set in the late 1970's, with hints of the paranormal that blossom in the second and third books. Everglade, Tennessee, 1977 Ever since Ruby discovered an amber-encased spider web in the Campbell Ridge Cave, she has had dreams of births, deaths and glimpses into the future. Ruby's dreams have foretold the daughter of her high school friend, Cathy, the death of her beloved Aunt Sammie, and the coming of a new love in her life. Ruby's shift is coming to a close at Everglade General Store. As she stacks the last row of bath soap, Ruby recalls the delicious dream she had the night before. In the dream, a gorgeous guy is kissing a tickle

Read Free The Witches Of Hant Hollow Jonathans Curse

spot, just behind her left earlobe, sending shivers up her spine. If only that dream could come true, instead of the one where a state trooper gives her a seventy-five dollar speeding ticket! Ruby snaps back to reality when she hears the store's front door bells chime. If she didn't know any better, she'd say the frickin' Adonis from her sexy dream just walked through the door. Reed Jackson and Brent Brown introduce themselves to Ruby as members of the local baseball team her brother, George, manages. Brent mentions they specifically came out to the store to meet George's hot, little sister. Ruby is slightly confused when she hears Reed murmur Tap It under his breath, but then she remembers the rumor going around campus about Reed and Brent's dating game. Tap It is a game where the two best friends compete to have a girl profess undying love to one of them. And Tap It is a winner takes all--all of what, though, Ruby has no clue. Ruby decides that she'll play along, but according to her rules. She'll suss out if either of these players is worthy of her love and respect. One thing is for sure, Ruby is no pawn. Who will be Ruby's Choice?

Punch, Or, The London Charivari

“Cane . . . exerted a powerful influence over the Harlem Renaissance”—The New York Times Cane is a collection of short stories, poems, and dramas, written by Harlem Renaissance author Jean Toomer in 1923. The stories focus around African-American culture in both the North and the South during times when racism and Jim Crow laws still abounded. Vignettes of the lives of various African-American characters tell what it was like to live both in the rural areas of Georgia and the urban streets of the northern cities. The book was heralded as an influential part of the Harlem Renaissance and, at the time, influenced artists of every background. Authors, dramatists, and even jazz musicians could find

Read Free The Witches Of Hant Hollow Jonathans Curse

influence and inspiration in the pages of Cane's work. Both Zora Neale Hurston and Langston Hughes themselves visited Sparta, Georgia, after reading Toomer's work. Unfortunately, the white public did not react well to Cane, and the sales dropped. The book did not become revered as the classic work it is today until the Civil Rights Movement in the 1960s. Now you can read this new edition of what is considered one of the best works of the Harlem Renaissance.

own past by entering a terrifying labyrinth of shadows. Dark City is a fast paced urban fantasy supernatural thriller brimming with magic, spine-chilling horror and otherworldly monsters.

An Authenticated History of the Famous Bell Witch

This book, the second volume in A Linguistic History of English, describes the development of Old English from Proto-Germanic. Like Volume I, it is an internal history of the structure of English that combines traditional historical linguistics, modern syntactic theory, the study of languages in contact, and the variationist approach to language change. The first part of the book considers the development of Northwest and West Germanic, and the northern dialects of the latter, with particular reference to phonological and morphological phenomena. Later chapters present a detailed account of changes in the Old English sound system, inflectional system, and syntax. The book aims to make the findings of traditional historical linguistics accessible to scholars and students in other subdisciplines, and also to adopt approaches from contemporary theoretical linguistics in such a way that they are accessible to a wide range of historical linguists.

" West Virginia boasts an unusually rich heritage of ghost tales. Originally West Virginians told these hundred stories not for idle amusement but to report supernatural experiences that defied ordinary human explanation. From jealous rivals and ghostly children to murdered kinsmen and omens of death, these tales reflect the inner lives—the hopes, beliefs, and fears—of a people. Like all folklore, these tales reveal much of the history of the region: its isolation and violence, the passions and bloodshed of the Civil War era, the hardships of miners and railroad laborers, and the lingering vitality of Old World traditions.

Wallaces' Farmer and Iowa Homestead

The Witches of Hant Hollow

In the first decade of the 1800s, John Bell moved his growing family from North Carolina to the Red River community in Robertson County, Tennessee. Bell, who became an elder in the Red River Baptist Church, was well-liked and respected by his neighbors and prospered as a farmer. As Bell worked his farm, a unique phenomenon occurred. Beginning in 1817 and continuing until 1821, John Bell and his family were allegedly "haunted" by a devilish spirit called a "witch" known as "Kate." The witch's actions were observed by many in the community, including the clergy. The events subsided only after Bell's death. Known as the "Red Book," and including the eyewitness account of Richard Williams Bell, son of John Bell, Ingram's account is the story of the Bell Witch.

Favorite Fairy Tales

Aria's powers as a Red Angel are something that's not been seen for a long time. Prince Cedric couldn't be happier about her transformation. Yet, Aria feels the angel inside her wants to take over her personality and transform her into a ruthless warrior. To make things worse, the Vampire King regrets rejecting her and wants her back. Aria can't deny the attraction to her former mate, but she wants to stay true to Cedric and the love that had blossomed between them. Tensions rise between vampires and angels. Philippe and Cedric need to put their differences aside if they want to stop a dangerous drug, Clarity. The trouble doesn't stop there as vicious creatures will do anything to start a war in the supernatural community and prevent Cedric from surviving the trial.

Lee's Lesson (Ditch Lane Diaries 4)

A century since the departure of the Gods, the Three Nations are now united beneath the Tsar. Magic has been outlawed, its power too dangerous to remain unchecked. All Magickers must surrender themselves

to the crown, or face imprisonment and death. Alana's mundane life has just been torn apart by the emergence of her brother's magic. Now they must leave behind everything they've ever known and flee - before the Tsar's Stalkers pick up their trail. Tasked with hunting down renegade Magickers, the merciless hunters will stop at nothing to bring them before the Tsar's judgement. As the noose closes around Alana and her brother, disgraced hero Devon finds himself at odds with the law when he picks a fight with the wrong man. The former warrior has set aside his weapons, but now, caught between the renegades and the Stalkers, he is forced to pick a side - the empire, or the innocent.

A Night With the Hants & Other Alabama Folk Experiences

Singing Through Life with God

“She saw: first, a square opening, about eight inches wide, in the lowest step...finally she saw that there was a walnut shell, or half one, outside the nearest door...she went to look at the shell—but looked with the greatest astonishment. There was a baby in it.” So ten-year-old Maria, orphaned mistress of Malplaquet, discovers the secret of her deteriorating estate: on a deserted island at its far corner, in the temple long ago nicknamed Mistress Masham’s Repose, live an entire community of people—”The People,” as they call themselves—all only inches tall. With the help of her only friend—the absurdly erudite Professor—Maria soon learns that this settlement is no less than the kingdom of Lilliput (first seen in Gulliver’s Travels) in exile. Safely hidden for centuries, the Lilliputians are at first endangered by

Happily Ever After, Again

This volume represents a good cross section of the folktales of Alabama, of all citizens from all parts of the state.

The Telltale Lilac Bush and Other West Virginia Ghost Tales

Why does a gifted psychiatrist suddenly begin to torment his own beloved wife? How can a ninety-pound woman carry a massive air conditioner to the second floor of her home, install it in a window unassisted, and then not remember how it got there? Why would a brilliant feminist law student ask her fiancé to treat her like a helpless little girl? How can an ordinary, violence-fearing businessman once have been a gun-packing vigilante prowling the crime districts for a fight? A startling new study in human consciousness, *The Myth of Sanity* is a landmark book about forgotten trauma, dissociated mental states, and multiple personality in everyday life. In its groundbreaking analysis of childhood trauma and dissociation and their far-reaching implications in adult life, it reveals that moderate dissociation is a normal mental reaction to pain and that even the most extreme dissociative reaction-multiple personality-is more common than we think. Through astonishing stories of people whose lives have been shattered by trauma and then remade, *The Myth of Sanity* shows us how to recognize these altered mental states in friends and family, even in ourselves.

transnational history of antifa, a how-to for would-be activists, and a record of advice from anti-Fascist organizers past and present.”—THE NEW YORKER "Insurgent activist movements need spokesmen, intellectuals and apologists, and for the moment Mark Bray is filling in as all three The book’s most enlightening contribution is on the history of anti-fascist efforts over the past century, but its most relevant for today is its justification for stifling speech and clobbering white supremacists.”—Carlos Lozada, THE WASHINGTON POST “[Bray’s] analysis is methodical, and clearly informed by both his historical training and 15 years of organizing, which included Occupy Wall Street... Antifa: The Anti-Fascist Handbook couldn’t have emerged at a more opportune time. Bray’s arguments are incisive and cohesive, and his consistent refusal to back down from principle makes the book a crucial intervention in our political moment.”—SAN FRANCISCO CHRONICLE In the wake of tragic events in Charlottesville, VA, and Donald Trump's initial refusal to denounce the white nationalists behind it all, the "antifa" opposition movement is suddenly appearing everywhere. But what is it, precisely? And where did it come from? As long as there has been fascism, there has been anti-fascism — also known as “antifa.” Born out of resistance to Mussolini and Hitler in Europe during the 1920s and ’30s, the antifa movement has suddenly burst into the headlines amidst opposition to the Trump administration and the alt-right. They could be seen in news reports, often clad all in black with balaclavas covering their faces, demonstrating at the presidential inauguration, and on California college campuses protesting far-right speakers, and most recently, on the streets of Charlottesville, VA, protecting, among others, a group of ministers including Cornel West from neo-Nazi violence. (West would later tell reporters, "The anti-fascists saved our lives.") Simply, antifa aims to deny fascists the opportunity to promote their oppressive politics, and to protect tolerant communities from acts of violence promulgated by fascists. Critics say shutting down political adversaries is anti-democratic; antifa adherents argue that the horrors

Read Free The Witches Of Hant Hollow Jonathans Curse

of fascism must never be allowed the slightest chance to triumph again. In a smart and gripping investigation, historian and former Occupy Wall Street organizer Mark Bray provides a detailed survey of the full history of anti-fascism from its origins to the present day — the first transnational history of postwar anti-fascism in English. Based on interviews with anti-fascists from around the world, Antifa details the tactics of the movement and the philosophy behind it, offering insight into the growing but little-understood resistance fighting back against fascism in all its guises.

A Voyage Round the World, But More Particularly to the North West Coast of America, Performed in 1785, 1786, 1787, and 1788, in the King George and Queen Charlotte, Captains Portlock and Dixon

When friends become enemies and enemies become friends, who's left to trust? Trained as an elite fighter and educated in the ways of the elves, Nuriel "Rie" Lhthannien has worked decades to be accepted into the High Court messenger service. It's a simple enough occupation, but in a realm where humans are treated as little better than slaves, it's a position she'll do anything to protect. On a routine delivery in the Human Realm, Rie is attacked by assassins from the enemy Shadow Realm and framed as a traitor. Facing execution at the hand of an unmerciful king, she evades capture and crosses the portal into enemy lands to prove her innocence. Surprising allies arise from the shadows, assisting her search and uncovering secrets she didn't know she kept. With the risk of discovery lurking at every turn, Rie must use every weapon in her arsenal -- and some she didn't know she possessed -- to uncover the truth behind the attack. Along the way, she discovers she might not be as human as she was led to believe,

Love angel series? Lee's recruited to fight in a six-thousand-year war between Angels and Demons in this fast-paced, mesmerizing and mystical tale. 1950 Everglade, Tennessee Lee Campbell learns a secret that changes her life when a messenger from the heavenly realm appears before her and reveals her true nature, hidden since birth. Her supernatural powers unfold, sending her on a dark and dangerous quest to save innocent souls from Hades. Harry Glenn returns from the Korean War on the very day Lee meets her warrior angel. He's the love of Lee's life, but he doesn't believe what is happening to her. He thinks she's losing her grip on reality-until a visit from a fierce-looking angel makes him a believer, and he joins Lee on her quest. Love, life, and souls are soon on the line at Sacred Heights Sanatorium, a place controlled by Luc's Army of The Fallen. Backed by the opposing Angel Armed Forces, Lee breaches Luc's stronghold and unleashes an epic battle. She risks everything, including her soul, to save one of her own. Will Lee succeed-or succumb to the pits of Hell? May be read as a stand-alone.
