The enticing lass who dressed and spoke like no woman he'd ever known was from his distant future, where crumbled ruins were all that remained of his vanished world. Drustan knew he had to return to his own century if he was to save his people from a terrible fate. And he needed the bewitching woman by his side. A woman changed forever in his arms Gwen Cassidy had come to Scotland to shake up her humdrum life and, just maybe, meet a man. How could she have known that a tumble down a Highland ravine would send her plunging into an underground cavern — to land atop the most devastatingly seductive man she'd ever seen? Or that once he'd kissed her, he wouldn't let her go? Bound to Drustan by a passion stronger than time, Gwen is swept back to sixteenth-century Scotland, where a treacherous enemy plots against them and where a warrior with the power to change history will defy time itself for the woman he loves. Beyond the Highland Mist

A Highlander Loves Forever: In the twelfth century Scotland, after the recent death of his father, Blane Cameron had just stepped up as Laird of one of the largest and most prosperous lands of the Highlands, but a woman from his past isn't ready to let him succeed. A witch, wielding the magic of the Sith, will stop at nothing to destroy the man who couldn't love her back. Present day Jade had given up on men. Having not found even a spark of love, she's decided that the passion and magic everyone else seemed to find so easily was not for her. But when a haunting voice leads her into the past, she'll have more than her fair share of men to deal with, and she has more than a spark with the handsome but distrustful laird. Blane doesn't trust the strange woman claiming to be from the future. The Highlander's Eternal Love: Laird Brodie Cameron was focused on keeping his clan safe during a time of uneasy peace. He had no time to marry, but without an heir, the Cameron clan is vulnerable. Taking things into her own hands, his sister Hilda blackmails the grandson of a powerful witch into casting a love spell, but rather than making Brodie fall in love, the spell searches for his true love and pulls her through the constructs of time. In present day New York, Emma's life had been stale for awhile, and her cynicism only grew, but it isn't until she falls through a portal and lands in Medieval Scotland that she realizes she'd put her life on hold.

And even if they triumph over mortal foes, will the Fae demand a price neither of them can pay? This edition includes a Cast of Continuing Characters. ***** I've written many series set in my fictional medieval Scottish world of Ravensmuir, Kinfairlie and Inverfyre. This is the order in which the stories take place, although you can start with any series. I recommend you read each series in order. There's a tab on my website for ALL books in this world: <http://delacroix.net/ravensmuir/> I. The Rogues of Ravensmuir This is the first series to take place in this world. These three books are a bit more gothic in tone and less tightly linked to each other than the books in subsequent series. 1. The Rogue Merlyn and Ysabella's story is a second chance romance with a bit of intrigue and suspense. Their relationship is a class war - he's the laird and she's a village girl - but there's an immediate attraction between them. Can Merlyn trust in love at first sight? Can Ysabella trust her rogue of a husband when he returns five years after their parting to ask for her help? This is the first book featuring Ravensmuir and in it, we learn the story of its sister holding, Kinfairlie. 2. The Scoundrel Can a notorious bad boy like Merlyn's brother Gawain be redeemed by love? In this story, Gawain meets his match, the enticing Eglantine, who is not just as adept a thief as he is but is prepared to seduce him to regain the prize she desires. This is cat-and-mouse story of action,

Download Ebook Times Curse Highland Time Travel Paranormal Romance Elemental Witch Book 2

adventure and intrigue takes us from York to the highlands of Scotland, to Eglantine's home at Inverfyre. 3. The Warrior At the end of The Scoundrel, Inverfyre is lost to the notorious MacLaren clan, but years later, Eglantine and Gawain's son Michael - the Hawk of Inverfyre - returns to reclaim his legacy. He has need of an heir so he abducts Aileen to be his bride, never guessing that these two have shared a great passion in their past lives. At Inverfyre, Aileen is plagued by visions and fears she is going mad, while the Hawk is uncertain whether his beguiling new bride can be trusted—or whether she has let the MacLarens in the gate. This medieval Scottish romance has some fantasy elements as it's a reincarnation story. II. The Jewels of Kinfairlie At the end of The Warrior, there is a family gathering at Inverfyre. We briefly meet Merlyn and Ysabella's son Roland, his wife Catherine, and their eight children. This series begins several years later, after Roland and Catherine's tragic death, when their oldest son Alexander suddenly becomes laird. The treasury is empty. The harvest will be poor. Alexander needs to see his sisters married as quickly as possible, but they wish to wed for love. 1. The Beauty Bride Alexander arranges an auction for the hand of his defiant sister, intending to manage the list of bidders - but a notorious mercenary, Rhys fitzHenry, pays the highest price. This arranged marriage doesn't begin well, as Madeline is a runaway bride, but Rhys pursues her, saves her, and tries to court her. suitors, Nicholas Sinclair, wants to claim her hand. It's a little uncommon that Nicholas wants to abduct his bride, but Alexander is sure that Vivienne will think that a romantic gesture, and when the wedding is held in the morning, all will be well. But the highlander seeking Alexander's agreement isn't Nicholas - it's his brother Erik in disguise, a man who needs a wife only because he needs a son to claim his legacy. He's not counting on Vivienne stealing his heart, too. 3. The Snow White Bride It's Christmas at Kinfairlie and a mysterious noblewoman seeks refuge in the chapel. When the sisters learn that she's a widow in need of protection, they decide to play a trick on Alexander and arrange his marriage. Eleanor thinks husbands are all the same, so is agreeable, although she isn't counting on Alexander's youth, charm, and desire to claim her heart. When her past catches up to her and Kinfairlie is at risk, how much will Eleanor sacrifice to see her new husband safe? What price will Alexander pay to defend his bride? 4. The Ballad of Rosamunde Rosamunde, the pirate queen and aunt of the siblings at Kinfairlie, was adopted by Gawain in The Scoundrel and trapped in the realm of the Fae in The Rose Red Bride. In this short story, a friends-to-lovers story, Padraig rescues Rosamunde, his valor making her realize that she loves him, too. III. The True Love Brides At the end of The Snow White Bride, Alexander decrees that his remaining sisters will marry for love. The portal to the realm of the Fae has been opened, though, and the Fae king Finvarra desires Elizabeth. Finvarra agrees that he will abandon his suit if four of the siblings marry their true loves, although Elizabeth knows that the portal to the Fae realm has to be closed as well. 1.

Catriona expects nothing of men, but Malcolm's kindness and strength earns her love - and makes her determined to save his soul, regardless of the price. 4. and we follow him to Inverfyre, where the children of the Hawk and Aileen also need to be married. 1. The Mercenary's Bride This Scottish medieval romance is a Christmas novella, the story of a knight returning to Inverfyre to keep his promise to the laird's daughter. Having been attacked and left for dead, Quentin is no longer the man he was and he blames the Hawk for the change in his fortunes. But his bitterness melts before the admiration of Mhairi, for the maiden he admired has become a beauty he would die to serve. 2. The Runaway Bride Even though Aiofe is a beauty and an heiress, she wants to marry for love. Her marriage is arranged to the oldest son of the Hawk of Inverfyre, but she chooses to flee instead, hoping that his cousin, Ross, will be sent after her. Aiofe intends to claim Ross's heart, no matter the price, for she knows with one glimpse that he's the man for her. Ross is caught between his duty and his heart - and the wicked MacLarens who would use Aiofe as a pawn in their own plan to possess Inverfyre. There will be more stories in this series, too.
