Into the Wild

Firestar's three grandchildren have learned of the powerful prophecy that foretells their destinies, and the responsibility of deciding the Clans' future weighs heavily on the three apprentices. But each secretly yearns for power: Lionpaw dreams of being undefeatable in battle, while Hollypaw longs to be a great leader and Jaypaw knows only he can see the true past and future for them all. Their strengths are tested when ThunderClan is suddenly attacked—and all four Clans are thrown into a battle unlike any the cats have ever seen. Then a dark shadow falls across the forest, and a mysterious stranger warns the Clans of more trouble to come. For the first time, it appears that StarClan does not hold the answers the cats need. All of a sudden, the warrior code is being tested. A crisis of faith threatens to tear the four Clans apart and destroy what the cats have built their lives upon. . . .

Hunter-trader-trapper

There will be three, Kin of you kin. Who hold the Power of the stars In their paws. A secret prophecy shapes the lives of Firestar's grandchildren, but only one of the three knows about it. Jaypaw is captivated by the power it promises, and he believes the key to that power may lie buried in the distant past -- with the ancient cats who once walked these woods and now prowl through his dreams. His search for answers leads him toward the mountains -- the home of the Tribe of Rushing Water. Lionpaw and Hollypaw feel drawn to the mountains too, for different reasons. But the mountains hide

secrets as well as answers, and if the three cats find a way to get there, they may discover more than they ever expected.

Nimroud, the Mighty Hunter. A tragedy, in five acts

Doppelgangers are monsters, hardwired for murder. They are not supposed to have doubts, but this one does. He wishes he could be different. More human, maybe. But even that can't stop him from killing people so he can take their places and live their lives. He has to do it; it's who he is. But when the doppelganger murders a small-town teenager, assumes his shape, and takes over his life, he's shocked by the world he steps into. Engulfed in a whirlwind of peer pressure, messy family dynamics, and a provocative relationship with a beautiful girl, he quickly learns that there's more than one way to be human, and many ways to be a monster. Told in the tortured voice of a most extraordinary teen, this contemporary gothic romance brews a captivating combination of violence, desire, and atonement. Here is the story of a monster yearning for a human life.

Greek Warriors (Time Hunters, Book 4)

Warriors: The Broken Code #5: The Place of No Stars

#1 IN A NEW EPIC FANTASY SERIES from Monster Hunter series creator and New York Times best-selling author, Larry Correia! After the War of the Gods, the demons were cast out and fell to the world. Mankind was nearly eradicated by the seemingly unstoppable beasts, until the gods sent the great hero, Ramrowan, to save them. He united the tribes, gave them magic, and drove the demons into the sea. Ever since the land has belonged to man and the oceans have remained an uncrossable hell, leaving the continent of Lok isolated. It

was prophesized that someday the demons would return, and only the descendants of Ramrowan would be able to defeat them. They became the first kings, and all men served those who were their only hope for survival. As centuries passed the descendants of the great hero grew in number and power. They became tyrannical and cruel, and their religion nothing but an excuse for greed. Gods and demons became myth and legend, and the people no longer believed. The castes created to serve the Sons of Ramrowan rose up and destroyed their rulers. All religion was banned and replaced by a code of unflinching law. The surviving royalty and their priests were made casteless, condemned to live as untouchables, and the Age of Law began. Ashok Vadai has been chosen by a powerful ancient weapon to be its bearer. He is a Protector, the elite militant order of roving law enforcers. No one is more merciless in rooting out those who secretly practice the old ways. Everything is black or white, good or evil, until he discovers his entire life is a fraud. Ashok isn't who he thinks he is, and when he finds himself on the wrong side of the law, the consequences lead to rebellion, war^{3/4}and destruction. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Warriors: Power of Three #3: Outcast

The #1 nationally bestselling Warriors series continues! Discover more epic adventures in the fourth book in the action-packed Broken Code story arc. Exiled after a battle that left all five Clans devastated, ThunderClan's loyal deputy, Squirrelflight, must bring to light an earth-shattering

truth: the identity of the cat ruling ThunderClan while wearing Bramblestar's face. While the fate of his body hangs in the balance, the real Bramblestar's spirit has vanished. Even Rootspring is powerless to reach him—and with tensions among the Clans at a breaking point, Squirrelflight may not be able to ensure Bramblestar has a body to return to. If he returns at all. Packed with action and intrigue, this sixth Warriors series is the perfect introduction for readers new to the Warriors world, while dedicated fans will be thrilled to discover the new adventures that unfold after the events of *A Vision of Shadows*.

A Hunter's Experiences in the Southern States of America

For use in schools and libraries only. Discover the origins of the warrior Clans in the fifth book of this thrilling Warriors prequel series from #1 nationally bestselling author Erin Hunter. The Dawn of the Clans series takes readers back to the earliest days of the Clans, when the cats first settled in the forest and began to forge the warrior code. The spirit-cats have spoken: to survive, the cats from the mountains must grow and spread like the Blazing Star. Clear Sky believes the only way to grow is to band together again, but few cats are willing to ally with him. While Tall Shadow plans to establish a new camp in the pine forest, River Ripple is content by the water, and Wind Runner has made her own home on the moor. The time has now come for all cats to decide where they will live—and where their allegiances truly lie. Dawn of the Clans #5: *A Forest Divided* also contains an exclusive bonus scene and a teaser to the next Warriors adventure.

The Time Hunters

The war is on, and it is fierce. Will Sanctuary survive the coming onslaught? No Mercy After the battle for Sanctuary, Dev and Sam are guarding ground zero. But in order to win, they will have to break the most cardinal of all rules and pray it doesn't unravel the universe as we know it.

Warriors: Power of Three #3: Outcast

“A must read for anyone who wants to understand the new American way of war.” — General Michael V. Hayden, former Director of the Central Intelligence Agency and the National Security Agency

A former special operations member takes us inside America’s covert drone war in this headline-making, never-before-told account for fans of *Zero Dark Thirty* and *Lone Survivor*, told by a Pulitzer Prize-winning *Wall Street Journal* writer and filled with eye-opening and sure to be controversial details. For nearly a decade Brett Velicovich was at the center of America’s new warfare: using unmanned aerial vehicles—drones—to take down the world’s deadliest terrorists across the globe. One of an elite handful in the entire military with the authority to select targets and issue death orders, he worked in concert with the full human and technological network of American intelligence—assets, analysts, spies, informants—and the military’s elite operatives, to stalk, capture, and eliminate high value targets in al-Qaeda and ISIS. In this remarkable book, co-written with journalist Christopher S. Stewart, Velicovich offers unprecedented perspective on the remarkably complex nature of drone operations and the rigorous and wrenching decisions behind them. In intimate gripping detail, he shares insider, action-packed stories of the most coordinated, advanced, and secret missions that neutralized terrorists, preserved the lives of US and international warriors across the globe, and saved countless innocents in the hottest conflict zones today. *Drone Warrior* also chronicles the US military’s evolution in the past decade and the technology driving it. Velicovich considers the future it foretells, and speaks candidly on the physical and psychological toll it exacts, including the impact on his own life. He reminds us that while these machines can kill, they can also be used productively to improve and preserve life, including protecting endangered species, work he is engaged in today. Joining warfare classics such as *American Sniper*,

Lone Survivor, and No Easy Day, Drone Warrior is the definitive account of our nation's capacity and capability for war in the modern age.

Her only hope lies with Baran Arvid—a genetically engineered warrior from hundreds of years in the future sent to capture the predatory time traveler—even if it means using Jane as bait. But can they survive the galaxies that come between them—and a madman bent on destroying them? In Warfem a strange destiny has reunited the seductive Warfem Alina, and Baird, the sexually dynamic Warlord who shared his lover’s young fantasies twenty years ago. But in this time apart, a dangerous new spark has been ignited between them. One that has held

Alina captive in another's plot of death and betrayal.

Warriors #1: Into the Wild (summer Reading)

From New York Times bestselling historian Douglas Brinkley comes a sweeping historical narrative and eye-opening look at the pioneering environmental policies of President Theodore Roosevelt, avid bird-watcher, naturalist, and the founding father of America's conservation movement. In this groundbreaking epic biography, Douglas Brinkley draws on never-before-published materials to examine the life and achievements of our "naturalist president." By setting aside more than 230 million acres of wild America for posterity between 1901 and 1909, Theodore Roosevelt made conservation a universal endeavor. This crusade for the American wilderness was perhaps the greatest U.S. presidential initiative between the Civil War and World War I. Roosevelt's most important legacies led to the creation of the U.S. Fish and Wildlife Service and passage of the Antiquities Act in 1906. His executive orders saved such treasures as Devils Tower, the Grand Canyon, and the Petrified Forest.
